Orders in Council

**Order in Council reducing rate of interest payable by soldier settlers
on their indebtedness under the Soldier Settlement Act**

P.C. 8346 (1944)

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 28th day of March, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Veterans Affairs reports that pursuant to Clause 2 of Order-in-Council P.C. 10472 of November 19th, 1942, and to Order-in-Council P.C. 2867 of April 29th, 1943, 1,111 persons indebted to the Director of Soldier Settlement including soldier settlers, civilian land purchasers and other purchasers under the British Family Agreements had become entitled as at September 30th, 1944, to the reduction of the rate of interest payable by them from five per centum per annum to three and a half per centum per annum, by virtue of their active service in His Majesty's Forces during the course of the war declared by His Majesty on September 10th, 1939; and

That it is now advisable to make provisions for a similar reduction in the rate of interest payable by all soldier settlers who are still indebted under the said Act and who have not otherwise become entitled to such reduction.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs, and under the authority of the War Measures Act, Chapter 206, R.S.C. 1927, and notwithstanding anything contained in the said Soldier Settlement Act, is pleased to order and it is hereby ordered as follows:

In the case of any settler as defined by Section 2 of the Soldier Settlement Act 1919, who has not abandoned his land and whose agreement with the Soldier Settlement Board or the Director of Soldier Settlement has not been terminated, rescinded or assigned, the rate of interest to be charged in respect of any agreement between the Soldier Settlement Board or the Director of Soldier Settlement as the case may be, and any such settler, shall be three and a half per centum per annum from and after the standard date in 1944.

A. D. P. HEENEY,

Clerk of the Privy Council.

**Order in Council extending the provisions of the agreement with the
Government of the United Kingdom re settlement of claims
arising out of traffic accidents, etc.**

P.C. 76/1981

*Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved
by His Excellency the Governor General in Council, on the 24th March, 1945.*

The Board had under consideration the following memorandum from the Honourable the Minister of National Defence concurred in by the Honourables the Minister of National Defence for Air and the Minister of National Defence for Naval Services:

"The undersigned has the honour to state that the Deputy Minister of National Defence (Army) has reported that:

(a) By Order-in-Council P.C. 50/6954 dated 6th September 1941 authority is granted for an agreement to be entered into between the Government of Canada and the Government of the United Kingdom in respect of traffic accidents occurring in the United Kingdom involving United Kingdom and Canadian Army vehicles and providing that claims arising out of such accidents be dealt with as follows:

(i) Damage to vehicles, stores or other property whether British or Canadian on a 'knock for knock' i.e. mutual forbearance basis.

(ii) Where injuries to service personnel arise out of such accidents each government to bear its own expenses and non-effective charges.

(iii) Claims of third parties arising out of such accidents to be settled and paid for in equal shares by the United Kingdom and Canadian Governments, providing that all settlements of claims by third parties shall be subject to the approval of the Canadian Claims Commission.

(b) By Order-in-Council P.C. 40/8600 dated 5th November 1941 authority is granted to extend the said agreement to cover claims arising out of traffic accidents in which United Kingdom and Canadian Naval, or Air Force vehicles are involved.

(c) Pursuant to the authority granted by the aforesaid Orders-in-Council an agreement was concluded with the United Kingdom Government on the 24th April 1942 covering the settlement of all claims arising out of accidents between United Kingdom and Canadian Naval, Army and Air Force vehicles incurred subsequent to 1st January 1942.

(d) By Order-in-Council P.C. 40/1050 dated 10th February 1943 authority is granted to extend the said agreement to cover all traffic accidents involving United Kingdom and Canadian Naval, Army and Air Force vehicles wherever they occur providing that settlement of third party claims in respect of accidents occurring elsewhere than in the United Kingdom or on the Continent of Europe shall be approved by the appropriate Deputy Minister of National Defence. The said agreement to extend to all claims arising out of such accidents occurring since the commencement of the present war which have not been finally disposed of.

(e) Pursuant to the authority granted by the aforesaid Orders-in-Council an agreement was concluded with the United Kingdom Government on the 15th August 1943 in accordance with the terms approved.

(f) It is now proposed by the United Kingdom authorities that the said agreement should be extended to include all traffic accidents in the United Kingdom involving United Kingdom and Canadian Government vehicles and Government employed personnel whether in the armed forces or civilians and that such agreement should cover damage to vehicles controlled by the Ministry of War Transport, damage to which or caused by which would be recoverable or payable by the United Kingdom Treasury and also to accidents involving local police vehicles and police constables in connection with which the Treasury would in the end recover or pay any damages assessed.

(g) This suggestion has been referred to the Under Secretary of State for External Affairs who advises that the Department of External Affairs has no objection to an agreement being made on the basis outlined above. The Under Secretary is of the opinion that the arrangement should take the form of an exchange of letters between the Canadian High Commissioner in London and the Secretary of State for Dominion Affairs. The details may then be worked out between the respective service authorities.

2. The Deputy Minister of National Defence (Army) therefore recommends that—

(a) Authority be granted to extend the Agreement authorized by Order-in-Council P.C. 50/6954 dated 6th September 1941 and the extensions thereof

authorized by Order-in-Council P.C. 40/8600 dated 5th November 1941 and P.C. 40/1050 dated 10th February 1943 to cover all traffic accidents in the United Kingdom involving—

- (i) United Kingdom and Canadian Government vehicles and government employed personnel whether in the armed forces or civilians;
- (ii) Traffic accidents involving vehicles controlled by the United Kingdom Ministry of War Transport if damage to or caused by such controlled vehicles is recoverable or payable by the United Kingdom Treasury.
- (iii) Traffic accidents involving police constables and local police vehicles if damage to or caused by such constables or vehicles is recoverable or payable by the United Kingdom Treasury.
- (b) The necessary arrangements be made between the respective governments of the United Kingdom and Canada by means of an exchange of letters between the Canadian High Commissioner in London and the Secretary of State for Dominion Affairs or in such other manner as the Secretary of State for External Affairs may direct.

3. No additional expenditure is involved in the foregoing proposal.

4. The Minister of National Defence for Air, the Minister of National Defence for Naval Services and the undersigned concur in the recommendation of the Deputy Minister (Army) and the undersigned recommends that Your Excellency in Council be pleased to approve the same."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

A. D. P. HEENEY,
Clerk of the Privy Council.

End of Quarter Carry-Over

6. If a manufacturer in any calendar quarter does not use all his rosin quota for a product group as set out in Schedule "A" or "B" for the manufacture of products of such product group his rosin quota for such product group in the succeeding calendar quarter only shall be increased by the amount of the unused balance.

Intermediate Products

7. A manufacturer must charge against his rosin quota in any calendar quarter for any product group listed in Schedule "A" or "B" the rosin content of any intermediate product as well as the quantity of rosin which he puts into process in that quarter in the manufacture of products of such product group. Each manufacturer, therefore, may take into consideration when computing the amount of his rosin quota for that product group, the rosin content of all intermediate products which he put into process in the manufacture of products of such product group in the corresponding quarter of 1944, in addition to the quantity of rosin which he put into process for the same purpose in that quarter. For the purpose of determining both his rosin quota and his current usage, a manufacturer, in computing the rosin content of any intermediate product listed in the table below, shall use the estimated rosin content set out for each such intermediate product in the said table. For all other intermediate products, the rosin content for the purpose of determining rosin quota and usage shall be that approved by the Oils and Fats Administrator.

*Intermediate Products**Estimated Rosin Content*

1. Mixing varnishes containing rosin...	1½ lbs. of rosin per Imp. gallon of mixing varnish.
2. Esterified rosin	96 lbs. of rosin per 100 lbs. of resin.
3. Rosin-modified phenolic resin.....	85 lbs. of rosin per 100 lbs. of resin.
4. Rosin-modified maleic resin.....	80 lbs. of rosin per 100 lbs. of resin.
5. Heat-treated rosins	100 lbs. of rosin per 100 lbs. of heat-treated rosins.

7. Polymerized rosins	100 lbs. of rosin per 100 lbs. of polymerized rosins.
8. Metal Resinates	90 lbs. of rosin per 100 lbs. of metal resinates.

Inventory Restrictions on Intermediate Products

8. No manufacturer of any product of a product group listed in Schedule "A" or "B" who is authorized by this Order to use more than five drums (2,700 lbs.) of rosin in any calendar quarter shall increase his stocks of intermediate products if such increase results in the total rosin content of the intermediate products held by him exceeding the greatest rosin content of intermediate products held by him during any calendar quarter of 1944.

Custom Manufacturing Arrangements

9. Any rosin used during any calendar quarter in the custom manufacturing of any product of a product group listed in Schedule "A" or "B" shall be charged against the rosin quota of the owner of such rosin if he had such custom manufacturing done for him during the corresponding calendar quarter of 1944. If the owner of the rosin did not manufacture the product nor have it manufactured for him in the corresponding calendar quarter of 1944, then the rosin shall be charged against the rosin quota of the custom manufacturer.

10. (1) On or before April 10, 1945, every manufacturer who manufactures any product of a product group listed in Schedule "A" or "B" or any intermediate product of that group and who used more than five drums (2,700 lbs.) of rosin during any calendar quarter of 1944, shall file a report in such form and providing such information as the Oils and Fats Administrator may require.

Order in Council amending the War Service Gratuity Regulations

P.C. 2239

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 4th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas The War Service Grants Act, 1944, limits the payment of War Service Gratuity, in the case of a member of the forces who dies on service or after discharge but before he has been paid War Service Gratuity in full, to a person to whom or in respect of whom dependent's allowance was payable on behalf of such member immediately prior to his death or discharge or would have been payable if such person had not been a member of the forces or to a dependent to whom payment was assigned by him immediately prior to his death or discharge;

And whereas it is deemed advisable in the public interest to extend the benefit of such Act to the end that a gratuity be paid in the case of every such member and without any restriction such as is now provided;

Now, therefor, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs, and under and by virtue of the War Measures Act, is pleased to amend the War Service Gratuity Regulations, being Order in Council P.C. 9440 of the 19th December, 1944, and they are hereby further amended by adding thereto as Regulation 8B thereof the following,—

8B. If no person qualifies to receive payment of the gratuity or any unpaid balance thereof under Section 4 of the Act and these Regulations in respect of a deceased member, then the gratuity or the unpaid balance thereof shall form part of and be comprised in the deceased member's service estate as "service estate" is defined in subsection 2 of section 7 of the Department of National Defence Act as amended by chapter 9 of the Statutes of 1940.

His Excellency in Council is further pleased to order and doth hereby order and direct that all expenditures hereunder be charged to War Appropriation.

A. D. P. HEENEY,

Order in Council amending the regulations respecting the issue and redemption of War Savings Certificates and Stamps

P.C. 2248

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 4th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that under the regulations respecting the issue and redemption of War Savings Certificates as consolidated by Order in Council P.C. 3665 dated May 4, 1943, and subsequently amended by P.C. 3439 dated May 9, 1944, certain difficulties have been encountered with regard to the transmission of Certificates of deceased holders where the aggregate face value of Certificates is in excess of \$500 and the personal representatives of such deceased holders do not intend to apply to the Court for grant of letters probate or letters of administration, and that it is desirable to facilitate transmission in such cases;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under and by virtue of the powers conferred by the Consolidated Revenue and Audit Act, 1931, and the War Measures Act, Chapter 206, Revised Statutes of Canada 1927, is pleased to amend the said regulations respecting the issue and redemption of War Savings Certificates and Stamps, as laid down by P.C. 3439 dated May 9, 1944 and they are hereby amended by deleting subsection (ii) of Section 15 of said regulations and substituting therefor the following:—

"(ii) In case a registered owner of Dominion of Canada Bonds and War Savings Certificates where the aggregate of the face value of the bonds plus the redemption value of the certificates is not more than \$2,000 dies and evidence, satisfactory to the Registrar, is produced that the personal representative of such holder does not intend to apply to the Court for a grant of letters probate or of letters of administration, the Registrar may, subject to any regulation made by the Governor in Council applicable to such cases and to such conditions as the Registrar may prescribe, transfer or authorize the transfer or payment of the certificates to the person or persons deemed by the Registrar to be entitled to receive the transmission or payment thereof; provided, however, that in every such case where the aggregate of the face value of the bonds plus the redemption value of the certificates exceeds \$2,000 but does not exceed \$2,500 the Registrar may in its sole discretion transfer or authorize the transfer or payment of the certificates to the person or persons deemed by the Registrar to be entitled to receive the transmission or payment thereof without the production of letters probate or letters of administration."

Order in Council re issue of warrants for apprehension of deserters

P.C. 2313

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 6th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas subsection (2) of Section 657 of the Criminal Code provides as follows:—

“No one shall break open any building to search for a deserter unless he has obtained a warrant for that purpose from a justice, founded on affidavit that there is reason to believe that the deserter is concealed in such building, and that admittance has been demanded and refused.”

And whereas the Minister of Justice reports that the Commissioner of the Royal Canadian Mounted Police has reported that the above provision has caused much delay and difficulty in the issue of warrants for the apprehension of deserters and has been responsible for the failure to effect arrests upon many occasions; and

That it is deemed necessary for the successful prosecution of the war that a warrant may be issued pursuant to said section 657 to a member of the Royal Canadian Mounted Police without proof that admittance to the building in which a deserter is believed to be concealed has been demanded and refused;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under and by virtue of the powers conferred by the War Measures Act, Chapter 206, Revised Statutes of Canada, is pleased to order and it is hereby ordered as follows:—

1. Notwithstanding anything contained in section 657 of the Criminal Code a member of the Royal Canadian Mounted Police may obtain a warrant for any of the purposes mentioned in the said section if it is deposed by such member in the affidavit supporting the application for the warrant that there is reason to believe that a deserter is concealed in the building in respect of which the warrant is sought and without any deposition that admittance thereto has been demanded and refused.

2. A certificate purporting to be signed by the Commissioner of the Royal Canadian Mounted Police, without proof of the signature of the Commissioner, stating that a person is a member of the Royal Canadian Mounted Police shall, for the purpose of this order, be accepted as *prima facie* proof of that fact.

A. D. P. HEENEY,

Clerk of the Privy Council.

Order in Council amending the Defence of Canada Regulations (Consolidation) 1942

P.C. 2314

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 6th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Justice reports that he has been informed by the Department of National Defence that it is advisable by reason of the war, for the security, defence, peace, order and welfare of Canada, to amend regulation 31A of the Defence of Canadian Regulations as hereinafter set forth;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under the authority of the War Measures Act, is pleased to amend the Defence of Canada Regulations (Consolidation) 1942, and they are hereby amended by revoking paragraph 3 of regulation 31A thereof and substituting therefor the following,—

"(3) In a prosecution under this Regulation, production of a certificate purporting to have been signed by a Naval Officer in Charge, a General Officer Commanding, a District Officer Commanding, the Commander Camp Borden, the Commander Petawawa Military Camp, an officer having the powers of a District Officer Commanding, or an Air Officer Commanding in which it is stated that a member of His Majesty's forces named therein has been duly convicted of the offence of being a deserter or absent without leave during a specified period is, without proof of the signature or of the official character of the person by whom the certificate purports to have been signed and without further proof thereof, *prima facie* proof that the member was a deserter or absentee without leave during the said period."

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council appointing J. S. Irvine, Controller of Fuel Underwriters Ltd.

P.C. 2329

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 6th day of APRIL, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply reports that Fuel Underwriters Limited, a Company having its head office at Calgary in the Province of Alberta, (hereinafter referred to as "Fuel Underwriters") is closely associated with Birnwel Coal Limited (hereinafter referred to as "Birnwel") a Company which has been and is operating a Strip Coal Mine near Calgary aforesaid;

That Birnwel has entered into contracts with the Emergency Coal Production Board (hereinafter referred to as "the Board") under which Birnwel has received and is receiving from the Board financial assistance for enabling Birnwel to develop and operate the said Strip Mine;

That the scheme of the said contracts is that all operating expenses are provided by the Board through a special Bank account and that all proceeds of sale of coal from Birnwel's Strip Mine are to be paid into another special Bank account and applied towards payment of interest on the loans from the Board for the time being outstanding, and towards repayment to the Board of the said loans;

That the Board became dissatisfied with the manner in which Birnwel was carrying on its business, and particularly with its financial and sales policy, and that by Order in Council P.C. 529 of January 25th, 1945 the Minister of Munitions and Supply was authorized to cause an inquiry to be made into and concerning any and all matters relating to or incidental to or arising out of the production of coal from the Strip Mine operated by Birnwel, and the sale and marketing of coal so produced, and to appoint a person by whom the inquiry should be conducted, and that, pursuant to the said Order in Council P.C. 529 G. H. Allen, Esquire, of Calgary, Alberta, has been appointed an investigator to inquire into the matters specified in the said Order in Council;

That it would appear that Birnwel has been selling all its coal to or through Fuel Underwriters, that Birnwel has been paying to Fuel Underwriters substantial sums in commission or price differential, and that, so far as can at present be ascertained, Fuel Underwriters is performing no services commensurate with the payments which it is receiving;

That, in the opinion of the Board, the arrangement between Birnwel and Fuel Underwriters is such that Birnwel has little or no chance of operating at a profit and reducing its debt to the board; and

That the contracts between Birnwel and the Board, above referred to, are munitions contracts within the meaning of Section 13 of The Department of Munitions and Supply Act, as amended;

And Whereas subsection (5) of the said section 13 contains provisions which are designed to insure that the profits received by a sub-contractor (as defined in that subsection) from a prime contractor whose contract is not on a fixed price basis shall not be excessive, and empowers the Minister of Munitions and Supply, in cases where he is satisfied that the total amount paid to a sub-contractor for the work carried out or the service rendered by such sub-contractor is in excess of the fair and reasonable cost thereof plus a reasonable profit, by order to reduce the total amount paid and payable to such sub-contractor for such work or service to an amount which the Minister of Munitions and Supply may fix as the fair and reasonable cost of the work or service plus a fair and reasonable profit, and to direct such sub-contractor to pay to the Receiver General of Canada any amount which such sub-contractor has received for the work or service in excess of the amount so fixed;

And whereas the arrangement between Birnwel and Fuel Underwriters is such as to make Fuel Underwriters a sub-contractor to Birnwel within the meaning of subsection (5) of the said section 13;

And Whereas, having regard to the foregoing, the Minister is of the opinion that it is desirable and in the public interest that a Controller should be appointed to supervise and control the finances and financial transactions of Fuel Underwriters and to preserve the assets of Fuel Underwriters, and that it is desirable that such Controller be appointed immediately, notwithstanding that the investigation hereinbefore mentioned has not been completed;

And whereas, in the opinion of the Minister, J. S. Irvine, Esquire, of the City of Calgary, Business Manager of the office of the Emergency Coal Production Board at Calgary, is a fit and proper person to act as such Controller;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Munitions and Supply, and under and by virtue of the powers conferred by the War Measures Act and The Department of Munitions and Supply Act, is pleased to order and doth hereby order,—

1. That J. S. Irvine, Esquire, of the City of Calgary, be and he is hereby appointed Controller of Fuel Underwriters with the powers and authorities hereinafter set forth;

2. That the Controller shall have the custody and control of all funds and securities from time to time owned or held by Fuel Underwriters and shall have complete supervision and control of the financial affairs of Fuel Underwriters;

3. That Fuel Underwriters shall have no power to spend or borrow money, or make commitments, or incur liabilities, or mortgage, charge, hypothecate or pledge any of its property, whether existing at the date hereof or subsequently acquired, except with the general or specific authorization in writing of the Controller;

4. That no cheques, notes or other bills of exchange, or other negotiable instruments shall be issued by Fuel Underwriters or if issued shall be valid, unless countersigned by or on behalf of the Controller;

5. That the Controller shall have power and authority in the name and on behalf of Fuel Underwriters to issue cheques, notes and other bills of exchange and negotiable instruments of all kinds, to borrow money from such parties and on such terms as he may think fit, and to mortgage, charge, hypothecate, or pledge all or any of the property of Fuel Underwriters, whether existing at the date hereof or subsequently acquired for securing repayment of the money so borrowed;

6. That Fuel Underwriters shall have no power, except with the general or specific authorization in writing of the Controller, to bring, defend, settle, compromise, abandon or consent to judgment in any action, suit or other legal proceeding, other than any action, suit or proceeding by or against His Majesty;

7. That the Controller shall have power and authority to bring or defend, in the name and on behalf of Fuel Underwriters, any action, suit or other legal proceedings, other than any action, suit or proceeding by or against His Majesty, and that the costs incurred by the Controller in so doing, as well as the expense of complying with any judgment rendered against Fuel Underwriters in any such action, suit, or proceeding, shall be a charge upon the property and operations of Fuel Underwriters;

8. That the Controller shall exercise the powers and authorities conferred upon him by this Order, subject to such instructions and directions, if any, as the Minister of Munitions and Supply may from time to time see fit to give, provided, however, that all acts and things done by the said Controller hereunder shall, whether or not in contravention of such instructions or directions, be binding upon Fuel Underwriters, and all persons are invited to act accordingly;

9. That the said Controller, in exercising the powers and authorities hereby conferred upon him, shall be deemed to be acting as the agent of Fuel Underwriters, except that he shall not be subject to any direction or control on the part of Fuel Underwriters or of its officers;

10. That the Controller may be paid such remuneration, if any, as shall be determined by the Minister of Munitions and Supply to be fair and reasonable, including out-of-pocket expenses, all of which shall be payable by and shall be a charge upon the operations of Fuel Underwriters, and that the Controller shall have full power and authority to employ such assistants (if any) to aid him in the carrying out of his duties hereunder as in the opinion of the Controller shall seem desirable, and to pay such assistants such remuneration as to the Controller shall seem fair and reasonable, and such remuneration shall likewise be payable by and shall be a charge upon the operations of Fuel Underwriters;

11. That until further Order the board of directors and shareholders of Fuel Underwriters shall be entitled to continue to manage, operate, carry on, control and supervise the business, undertaking, affairs and operations of Fuel Underwriters, subject only to the limitations hereby imposed;

12. That the Controller and any person acting for or on behalf of or under the authority of the Controller shall not be or become personally liable to any person (including Fuel Underwriters, its creditors and/or shareholders) for anything done or omitted in the exercise or purported exercise of any power or authority from time to time vested in or conferred upon the Controller;

13. That any person violating or interfering with the exercise by the Controller of any of the powers, authorities and rights conferred upon the Controller shall be liable, upon summary conviction, to a fine of not exceeding Five Thousand Dollars (\$5,000.00) or imprisonment for a term not exceeding five (5) years, or to both fine and imprisonment;

The making of this Order, and the granting of the powers conferred upon the Controller hereby appointed, are deemed to be advisable for the security, defence, peace, order and welfare of Canada, having regard to the existence of the present state of war and the necessity of ensuring that in the national interest public moneys made available on loan to Companies engaged in the supply of essential commodities are prudently expended and are repaid in accordance with the terms upon which they were advanced.

Clerk of the Privy Council.

Order in Council appointing S. S. Irvine, Controller of Birnwel Coal Ltd.

P.C. 2330

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 6th day of APRIL, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply reports:

That the Emergency Coal Production Board has entered into contracts with Birnwel Coal Limited, a Company operating a Strip Coal Mine near Calgary in the Province of Alberta, for providing financial assistance for the Company to enable it to develop and operate the said Strip Mine;

That the scheme of the said contracts is that all operating expenses are provided by the Board through a special Bank account and that all proceeds of sale of coal from the Company's Strip Mine are to be paid into another special Bank account and applied towards payment of interest on the loans from the Board for the time being outstanding, and towards repayment to the Board of the said loans;

That the Board became dissatisfied with the manner in which the Company was carrying on its business, and particularly with its financial and sales policy, and that by Order in Council P.C. 529 of January 25, 1945, the Minister of Munitions and Supply was authorized to cause an inquiry to be made into and concerning any and all matters relating to or incidental to or arising out of the production of coal from the Strip Mine operated by the Company, and the sale and marketing of coal so produced, and to appoint a person by whom the inquiry should be conducted, and that, pursuant to the said Order in Council P.C. 529, G. H. Allen, Esquire, of Calgary, Alberta, has been appointed an investigator to inquire into the matters specified in the said Order in Council;

That it would appear that the Company has been paying substantial sums in commission or price differential to Fuel Underwriters Limited, an associated Company to or through which the Company has been selling all its coal, and has been paying to Kleenbirn Collieries Limited, another associated Company, royalties on coal raised which are not payable under any lease or agreement, and has been paying to certain of its officers and employees remuneration on a scale which in the opinion of the Emergency Coal Production Board is extravagant, all of which has prevented the debt due from the Company to the Board from being reduced and that such debt now stands at a figure of upwards of \$238,000.00; and

That in the opinion of the Board the arrangement between the Company and Fuel Underwriters Limited is such that the Company has little or no chance of operating at a profit and reducing its debt to the Board, and that, so far as can at present be ascertained, Fuel Underwriters Limited is performing no services commensurate with the payments which it is receiving;

And Whereas, having regard to the foregoing, the Minister is of the opinion that it is desirable and in the public interest that a Controller should be appointed to supervise and control the finances and financial transactions of the Company and to preserve the assets of the Company and that it is desirable that such Controller be appointed immediately notwithstanding that the investigation hereinbefore mentioned has not been completed;

1. That J. S. Irvine, Esquire, of the City of Calgary, be and he is hereby appointed Controller of Birnwell Coal Limited with the powers and authorities hereinafter set forth;

2. That the Controller shall have the custody and control of all funds and securities from time to time owned or held by the Company and shall have complete supervision and control of the financial affairs of the Company;

3. That the Company shall have no power to spend or borrow money, or make commitments, or incur liabilities, or mortgage, charge, hypothecate or pledge any of its property, whether existing at the date hereof or subsequently acquired, except with the general or specific authorization in writing of the Controller;

4. That no cheques, notes or other bills of exchange, or other negotiable instruments shall be issued by the Company, or if issued shall be valid, unless countersigned by or on behalf of the Controller;

5. That the Controller shall have power and authority in the name and on behalf of the Company to issue cheques, notes and other bills of exchange and negotiable instruments of all kinds, to borrow money from such parties and on such terms as he may think fit, and to mortgage, charge, hypothecate, or pledge all or any of the property of the Company, whether existing at the date hereof or subsequently acquired, for securing repayment of the money so borrowed;

6. That the Company shall have no power, except with the general or specific authorization in writing of the Controller, to bring, defend, settle, compromise, abandon or consent to judgment in any action, suit or other legal proceeding, other than any action, suit or proceeding by or against His Majesty;

7. That the Controller shall have power and authority to bring or defend, in the name and on behalf of the Company, any action, suit or other legal proceedings, other than any action, suit or proceeding by or against His Majesty, and that the costs incurred by the Controller in so doing, as well as the expense of complying with any judgment rendered against the Company in any such action, suit or proceeding, shall be a charge upon the property and operations of the Company;

8. That the Controller shall exercise the powers and authorities conferred upon him by this Order, subject to such instructions and directions, if any, as the Minister of Munitions and Supply may from time to time see fit to give, provided, however, that all acts and things done by the said Controller hereunder shall, whether or not in contravention of such instructions or directions, be binding upon the Company, and all persons are invited to act accordingly;

9. That the said Controller, in exercising the powers and authorities hereby conferred upon him, shall be deemed to be acting as the agent of the Company, except that he shall not be subject to any direction or control on the part of the Company or if its officers;

10. That, the Controller may be paid such remuneration, if any, as shall be determined by the Minister of Munitions and Supply to be fair and reasonable, including out-of-pocket expenses, all of which shall be payable by and shall be a charge upon the operations of the Company, and that the Controller shall have full power and authority to employ such assistants (if any) to aid him in the carrying out of his duties hereunder as in the opinion of the Controller shall seem desirable, and to pay such assistants such remuneration as to the Controller shall seem fair and reasonable, and such remuneration shall likewise be payable by and shall be a charge upon the operations of the Company;

11. That until further Order the Board of Directors and shareholders of the Company shall be entitled to continue to manage, operate, carry on, control and supervise the business, undertaking, affairs and operations of the Company, subject only to the limitations hereby imposed;

12. That the Controller and any person acting for or on behalf of or under the authority of the Controller shall not be or become personally liable to any person (including the Company, its creditors and/or shareholders) for anything done or omitted in the exercise or purported exercise of any power or authority from time to time vested in or conferred upon the Controller;

13. That any person violating or interfering with the exercise by the Controller of any of the powers, authorities and rights conferred upon the Controller shall be liable, upon summary conviction, to a fine of not exceeding Five Thousand Dollars (\$5,000.00) or imprisonment for a term not exceeding five (5) years, or to both fine and imprisonment;

14. That all such powers as are conferred upon the Minister of Munitions and Supply by Section 15 of The Department of Munitions and Supply Act as amended in relation to persons producing, dealing in, storing, or having control of munitions of war or supplies are hereby declared to be, and shall be, exercisable in relation to the Company, and that in the event of any order being made by the said Minister, pursuant to the said Section, in relation to the Company, the Company shall not be bound, in respect of such matters as may be specified in the order, by any obligation or limitation imposed on the Company by or by virtue of any other Act, order, rule, regulation, by-law, contract, agreement or other instrument affecting its functions or obligations;

The making of this Order, and the granting of the powers hereby conferred are deemed to be advisable for the security, defence, peace, order and welfare of Canada, having regard to the existence of the present state of war and the necessity of ensuring that in the national interest public moneys made available on loan to Companies engaged in the supply of essential commodities are prudently expended and are repaid in accordance with the terms upon which they were advanced.

Order in Council removing limitations of Sections 27 and 37, the Pension Act re date from which pension is payable

P.C. 2395

AT THE GOVERNMENT HOUSE AT OTTAWA

MONDAY, the 9th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas under Sections 27 and 37 of the Pension Act provision is made for the date from which pension is payable in the event of disability or death respectively;

And whereas these provisions governing the date from which pension is payable were introduced into the Pension Act in 1936 to eliminate large retroactive payments in claims arising out of the Great War, the majority of which were initiated many years subsequent to the applicant's discharge from the forces;

And whereas Order in Council P.C. 9553 of the 27th day of December, 1944, suspends, for the duration of the war and for one year afterwards, all time restrictions in respect to all applications for entitlement to pension arising out of the present war with the German Reich;

And whereas the Minister of Veterans Affairs reports that the restrictions in Sections 27 and 37 of the Pension Act as to the date from which pension is payable have, in certain awards arising out of the war with the German Reich, due to circumstances beyond the applicant's control, resulted in a lack of uniformity in awards and injustice to the applicant;

Now, Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs, and under and by virtue of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, and notwithstanding anything to the contrary contained in the Pension Act or in any other act or regulation, is pleased to order and it is hereby ordered as follows:—

1. Notwithstanding any limitations contained in Sections 27 and 37 of the Pension Act, the Canadian Pension Commission may, in its discretion, in respect of service during the war with the German Reich, make an additional award not exceeding an

amount equivalent to an additional eighteen months' pension where, through delays in securing service or other records or through other administrative difficulties, beyond the applicant's control, it is apparent that an injustice might otherwise ensue: provided that no payment may be made under this regulation in respect of any member of the forces who has died, for any period prior to the date of death.

2. This Order shall be deemed to have come into force on the first day of January, one thousand nine hundred and forty-five, and shall remain in force for the duration of the war with the German Reich, and for one year immediately subsequent to the termination thereof.

3. Any payments required to be made under this order, additional to those already provided under the Pension Act, shall be charged to moneys provided by Parliament.

A. D. P. HEENEY,

Clerk of the Privy Council.

PART I
Orders in Council

Order in Council increasing the amount that The Director, The Veterans' Land Act, 1942, may advance to meet the cost of land and improvements and building materials, etc.

P.C. 2020

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 13th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas section 9 of the Veterans' Land Act authorizes the sale by The Director, The Veterans' Land Act, to a qualified veteran of land, including improvements thereon and building materials, live stock and farm equipment, up to a total cost to the Director of \$4,800 subject to the condition, inter alia, that the cost to the Director of the land and improvements and building materials shall not exceed \$3,600;

And whereas by Order in Council of 14th October, 1943 (P.C. 7990) provision was made for the sale to qualified veterans of land and improvements thereon, building materials, live stock and farm equipment up to a total cost to the Director of \$6,000 subject to the following conditions:—

- (a) That the cost to the Director of the land and improvements and building materials shall not exceed \$4,800;
-
- (c) that the cost to the Director of the live stock and farm equipment shall not exceed \$1,200.

And whereas the Minister of Veterans Affairs reports,—

That, notwithstanding the above increase, the Director is encountering continuing difficulty in purchasing suitable land, and particularly in the erection of new homes in addition to the cost of land and other essential improvements including water supply, within the existing price ceiling of \$4,800;

That there exists in various parts of Canada a shortage of housing accommodation which affects both civilians and veterans alike, and that there does not appear to be a likelihood of a substantial decrease in the cost of land or the cost of new construction for some time;

That the projected standards of new housing for veterans should not be reduced nor should new houses be left in an unfinished condition before sale is made to veterans;

That for the more effective administration of The Veterans' Land Act, and the carrying out of its true intent, it is deemed advisable to increase the amount that the Director may advance to meet the cost of land and improvements and building materials, without, however, increasing the over-all ceiling of \$6,000 for land, improvements, building materials and live stock and farm equipment;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs, and under the authority of the War Measures Act, is pleased to make and doth hereby make the following order:—

ORDER

Notwithstanding anything in The Veterans' Land Act, 1942, the Director, The Veterans' Land Act, may contract with any veteran certified by him to be qualified

to participate in the benefits of that Act for the sale to such veteran of land and improvements thereon, building materials, live stock and farm equipment up to a total cost to the Director of six thousand dollars subject to the following conditions:

- (a) that the cost to the Director of the land, improvements and building materials shall not exceed six thousand dollars;
- (b) that the veteran has paid to the Director ten per centum of such cost and the entire cost price of land, improvements and building materials in excess of six thousand dollars;
- (c) that the cost to the Director of the live stock and farm equipment shall not exceed the difference between the cost to the Director of the land, improvements and building materials and the sum of six thousand dollars, provided that in no case shall the cost of the live stock and farm equipment exceed the sum of twelve hundred dollars.

A. D. P. HEENEY,
Clerk of the Privy Council.

**Order in Council amending The Veterans' Land Act, 1942,
re settlement on Provincial lands, Indian
Reserve lands, etc.**

P.C. 2122

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 13th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Veterans Affairs represents,—

1. That Section 35, The Veterans' Land Act 1942, authorizes the Minister, with the approval of the Governor in Council, to enter into an agreement with any province for the settlement of veterans on any provincial Crown lands which the provincial Government may submit as being specially suitable for settlement by veterans; and

That Section 35 of the said Act provides that an agreement shall contain such provisions, conditions and limitations in regard to such settlement as the Minister and the province may mutually decide, but there is no power vested in the Minister or the Governor in Council to make capital assistance available to or on behalf of a veteran under terms other than those contained in Sections 8 and 9 of the Act;

2. That Section 9 of The Veterans' Land Act provides that the sum of Six Thousand Dollars (\$6,000.00) shall be the maximum cost to the Director for the establishment of a veteran and that the maximum amount of such cost which may be absorbed by the Dominion Government is the sum of Twenty-three Hundred and Twenty Dollars (\$2,320.00);

3. That various provinces have expressed a desire to make provincial lands available for settlement of veterans; that it is desirable that there be reasonable uniformity as to the basis upon which financial assistance is made available to or on behalf of veterans who seek establishment on provincial lands, and that in this regard it is necessary that account be taken of the variations which occur in provincial lands and the manner in which such lands are most readily adapted to meet the rehabilitation needs of veterans;

4. That with respect to the majority of provincial lands the cost of clearing and other development necessary for purely agricultural purposes to place a veteran on a basis of ability to repay a loan would, in a great many cases, involve a capital expenditure equal to the cost of purchasing improved lands in settled communities;

5. That, notwithstanding the problems of settlement on provincial lands, veterans who prefer to seek re-establishment on such lands, should be assisted to do so but not on a basis of repayment of the capital assistance, provided reasonable settlement conditions are met;

6. That it is desirable to make provision to facilitate establishment of Indian veterans on Indian Reserve lands and that, in view of the fact that titles to Indian Reserve lands may not be alienated or hypothecated, it is not practicable to assist Indian veterans under existing provisions of The Veterans' Land Act to become established on Indian Reserve lands;

7. That the various matters referred to above have been carefully studied by the Sub-Committee on Land Settlement under the general Advisory Committee on Demobilization and Rehabilitation; that these matters have already been reviewed with responsible representatives of the various provinces and that the general Advisory Committee on Demobilization and Rehabilitation has duly recorded its approval of the recommendations of the Sub-Committee on Land Settlement;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs and under and by virtue of the War Measures Act, Chapter 206, R.S.C. 1927, is pleased to amend the Veterans' Land Act, 1942, and it is hereby amended by deleting Section 35 and substituting therefor the following sections:—

"35. (1) The Minister may, with the approval of the Governor in Council, enter into an agreement with the Government of any province for the settlement of veterans on any provincial lands which the provincial government may recommend as being specially suitable for settlement by veterans.

(2) The said agreement shall contain in addition to the provisions referred to in subsections (3) and (4), such provisions, conditions and limitations in regard to such settlement as the Governor in Council may approve.

(3) The said agreement shall provide that the Director may, notwithstanding any other provision of this Act and subject to regulations made under this Act, grant an amount not exceeding \$2,320 to a veteran who settles on provincial lands pursuant to such an agreement.

(4) A grant made pursuant to subsection (3) of this section shall be used only for one or more of the following purposes:—

(a) For the purchase of essential building materials and other costs of construction.

(b) For the clearing and other preparation of land for cultivation.

(c) For the purchase of essential farm live stock and machinery.

(d) For the purchase of machinery or equipment essential to forestry.

(e) For the purchase of commercial fishing equipment.

(f) For the purchase of trapping or fur farming equipment but not breeding stock.

(g) For the purchase of essential household equipment.

(5) A veteran who has received a grant under this section shall not be entitled to enter into a contract with the Director under Section 9 or Section 13 of this Act, and a veteran who has entered into a contract with the Director under Section 9 or Section 13 of this Act shall not be entitled to a grant under this section.

35A (1) The Director may grant an amount not exceeding \$2,320 to an Indian veteran who settles on Indian Reserve lands, the said grant to be paid to the Minister of Mines and Resources who shall have the control and management thereof in trust for the said Indian veteran.

(2) A grant made pursuant to subsection (1) of this Section shall be disbursed by the Minister of Mines and Resources on behalf of the Indian veteran only for one or more of the following purposes:—

(a) For the purchase of essential building materials and other costs of construction.

- (b) For the clearing and other preparation of land for cultivation.
 - (c) For the purchase of essential farm live stock and machinery.
 - (d) For the purchase of machinery or equipment essential to forestry.
 - (e) For the purchase of commercial fishing equipment.
 - (f) For the purchase of trapping or fur farming equipment but not breeding stock.
 - (g) For the purchase of essential household equipment.
- (3) An Indian veteran on whose behalf a grant has been made under this Section shall not be entitled to enter into a contract with the Director under Section 9 or Section 13 of this Act, and an Indian veteran who has entered into a contract with the Director under Section 9 or Section 13 of this Act shall not be eligible for a grant under this Section."

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council amending The Veterans' Land Act, 1942, re construction by The Director of houses

P.C. 2227

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 13th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Veterans Affairs represents,—

That Sections 7 and 9 of The Veterans' Land Act, 1942, authorize the Director, The Veterans' Land Act to acquire land and building materials and to resell land, improvements and building materials at cost to a qualified veteran;

That Section 8 of the Act provides that the Director shall calculate in each case of sale the cost price of any land acquired and in so doing "the Director shall take into account not only the cost of the land, but also the cost of improvements, if any, effected or to be effected by the Director";

That anticipating the scarcity of homes confronting veterans seeking establishment under the Act steps were taken by the Director early in 1944 to organize sources of essential building supplies to facilitate the construction of approximately three thousand new homes commencing early in the current year, and that a limited number of homes are presently under construction and the Director is now in a position to invite tenders to fulfil the 1945 program; and

That the Comptroller of the Treasury recently questioned the authority of the Director to engage in the construction of houses for veterans and the Deputy Minister of Justice, by letter dated 23rd March, has expressed opinion that Sections 7, 8 and 9 of the Act above referred to do not confer power on the Director to engage in the construction of homes for veterans;

And whereas the Minister is strongly of the opinion that unless the Director, The Veterans' Land Act, is vested with the necessary authority to enter into contracts for the construction of homes and other improvements for sale to veterans to be established under the Act, a state of confusion and unwarranted delays will occur in giving practical expression to the intent of the Act;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs, and under and by virtue of The War Measures Act, Chapter 206 of the Revised Statutes of Canada, 1927, is pleased to amend the Veterans' Land Act, 1942, and it is hereby amended by adding the following section immediately after Section 7 thereof:—

7A. (1) The Director may for the purposes of this Act

- (a) erect on any land acquired by him such buildings or such other improvements as the Director may deem necessary.

- (b) enter into any contract with any person, firm or corporation, or with any province, city, town or municipal authority, for the erection of such buildings and for effecting such other improvements as the Director may deem necessary.
- (c) grant any roadway, right of way, easement or other right or interest in, over or upon any land necessary for effecting or facilitating the erection of buildings or making of improvements referred to in paragraphs (a) and (b) of this subsection.

(2) For the purposes of this section, "improvements" shall include works for sewage disposal, works for drainage, works for the supply of water, gas, electricity and other services, roads and the cost of preparing plans of subdivisions.

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council amending The Veterans' Land Act, 1942, re delegation by The Director of his powers

P.C. 2231

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 13th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas Section 7 of The Veterans' Land Act, 1942, authorizes the Director, The Veterans' Land Act, to purchase by agreement, at prices which to him shall seem reasonable, or in any other manner acquire by consent or agreement from His Majesty in the right of Canada or from any province or municipal authority or from any person, firm or corporation, such lands and buildings situate in any part of Canada and such other property including building materials, livestock, farm equipment and commercial fishing equipment as the Director may deem necessary;

And whereas Regional Advisory Committees appointed by the Governor in Council pursuant to Section 34 of the Act advise the Director in respect to these and other matters;

And whereas the Minister of Veterans Affairs reports that in the completion of purchase transactions and in the sale of real property and chattel equipment to veterans or the approval of loans to veterans under Section 13 of the Act, it is impracticable that the Director personally approve every item;

That consequently the Director has authorized District Superintendents, on the advice of the respective Advisory Committees, to complete such transactions on behalf of the Director;

That the Director has now been advised by the Comptroller of the Treasury on the advice of the Deputy Minister of Justice that any powers requiring the exercise of discretion or judgment imposed upon the Director by the Statute cannot be delegated, and that nothing can be found in the Act authorizing the Governor in Council to make a regulation enabling the Director to do so;

That under Section 8 of the Veterans' Land Act, 1942 and Section 7A of the said Act (as added thereto by the Governor in Council under the War Measures Act) the Director is authorized to construct new buildings for sale to veterans;

That the practical effect of the above restrictions is that no further disbursements will be made by the Treasury Department unless with the written approval of the Director in person for every item of property or chattels purchased or for the erection of buildings; and

That such procedure is impossible or highly impracticable;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs and under and by virtue of the War Measures

Act, being Chapter 206 of the Revised Statutes of Canada 1927, is pleased to amend The Veterans' Land Act, 1942, and it is hereby amended by adding the following subsection immediately after subsection one of Section 37 thereof:

1A The Director may with the approval of the Governor in Council make regulations authorizing any person to exercise or perform, with respect to such matters as may be specified therein, any of the powers or duties conferred or imposed by this Act on the Director.

His Excellency in Council is further pleased to order and doth hereby order and declare that any act authorized by the Director of the Veterans' Land Act and done prior to the date hereof in purported exercise or performance of the powers or duties of the Director shall be deemed the act of the Director.

Clerk of the Privy Council.

THE GOVERNOR GENERAL IN COUNCIL:

Whereas imports of electric generators and complete parts thereof, n.o.p. are dutiable under Tariff Item 445f at rates of 15 per cent under the British Preferential Tariff, 33½ per cent under the Intermediate Tariff and 37½ per cent under the General Tariff, with a Canada-United States Trade Agreement rate of 25 per cent ad valorem;

And whereas under Tariff Item 409o imports of "equipment for generating electric power for farm purposes only, viz.: engine, gas tank, generator, storage battery, and switchboard or panel; and complete parts of the foregoing" are exempt from customs duty regardless of the country of origin;

And whereas the Minister of Finance is of the opinion that it would be in the best interests of Canadian industry if the reduced rates of duty that applied to imports of electric generators and complete parts thereof for generating electric power for lighting grain elevators were continued for a further period;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and doth hereby order that imports of electric generators as described below be accorded the tariff treatment hereunder indicated, effective March 1, 1945.

Order in Council amending the Canadian War Service Voting Regulations 1944

P.C. 2645

AT THE GOVERNMENT HOUSE AT OTTAWA

MONDAY, the 16th day of April, 1945

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Secretary of State reports that there is a substantial number of Canadians who have enlisted for general service without territorial limitations in the Naval, Military and Air Forces of Canada, who have served in such Forces during periods ranging from six months to three years, who have been discharged from such Forces, and who will not have attained the full age of twenty-one years at the next general election; and

That he is advised by the Chief Electoral Officer that these persons are not entitled to vote at the next general election either as War Service electors or civilian electors;

And Whereas it is deemed advisable that these persons should be granted the privilege of voting as War Service electors on the same basis as the members of the Naval, Military and Air Forces of Canada, who are away from their units on leave or on furlough during the voting period prescribed by The Canadian War Service Voting Regulations, 1944;

Therefore His Excellency the Governor General in Council, on the recommendation of the Secretary of State, concurred in by the Minister of Veterans Affairs, and under the authority of the War Measures Act, is pleased to amend The Canadian War Service Voting Regulations, 1944, and they are hereby amended by the insertion therein of the following as paragraph 37B of the said Regulations:

Discharged Members of Forces Under Twenty-one Years of Age

37B (1) Every person, under twenty-one years of age, who (a) is a British subject, (b) has voluntarily offered himself for appointment to or enlistment in any of the Naval, Military or Air Forces of Canada and has been appointed to or enlisted in any of such Forces, (c) has served on active service without territorial limitations in any of such Forces for a period of at least six months, (d) was ordinarily residing in Canada prior to his appointment to or enlistment in any of such Forces, and (e) has been honourably discharged from any of such Forces, shall be deemed to be a War Service elector and entitled to vote under these Regulations and may cast his vote before any commissioned officer designated to take the votes of War Service electors by the commanding officer of a Canadian Naval, Military or Air Unit, when such commissioned officer is actually engaged in the taking of such votes in a voting place established in Canada. No such person shall be allowed to vote under these Regulations unless he produces, to such commissioned officer, satisfactory proof of identity and of his qualifications as a War Service elector.

Definition of "Honourably Discharged"

(2) For the purpose of these Regulations, the definition of the term "honourably discharged from any of such Forces", referred to in the next preceding sub-paragraph, is as follows:

Naval Services

- (a) A former member of the Naval Services of Canada shall be deemed to have been honourably discharged therefrom, unless it is indicated on his Discharge Certificate that he was discharged from that Service, in the case of an officer, by sentence of court martial or disciplinary court or his resignation was accepted to avoid court martial, or in the case of ratings, dismissed (with or without disgrace), services no longer required, fraudulent entry, or deserter or absentee not claimed for further Naval Service.

Military Forces

- (b) A former member of the Military Forces of Canada shall be deemed to have been honourably discharged therefrom, unless it is indicated on his Discharge Certificate that he was discharged from that Service by reason of a conviction by the civil power during his Service or for misconduct or as a result of having been sentenced to be discharged with ignominy or, in the case of an officer, that he was dismissed or cashiered from His Majesty's Service by a General Court-Martial.

Royal Canadian Air Force

- (c) A former member of the Royal Canadian Air Force shall be deemed to have been honourably discharged therefrom unless it is indicated on his Certificate of Service or Discharge Certificate that he was removed or discharged from the Royal Canadian Air Force by reason of "Misconduct".

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council amending the Canadian War Service Voting Regulations, 1944

P.C. 2646

AT THE GOVERNMENT HOUSE AT OTTAWA

MONDAY, the 16th day of April, 1945

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas there is no provision in The Canadian War Service Voting Regulations, 1944, dealing with the disposition of the outer envelopes completed by a War Service elector who has unlawfully voted more than once at a general election;

And whereas such War Service electors as, (a) members of the Naval, Military and Air Forces of Canada who are away from their Units on leave or on furlough; (b) members of the Canadian Auxiliary Services; (c) Canadian persons who have enlisted for active service in any of His Majesty's Forces subsequent to January 1, 1937; (d) members of the Naval, Military and Air Forces of Canada who are performing service or duty in any of the Allied Forces; (e) Canadian war correspondents and (f) Canadian merchant seaman, are entitled to vote under the procedure set out in the above-mentioned Regulations, before any commissioned officer designated to take the votes of War Service electors by the commanding officer of any Canadian Naval, Military or Air Unit, when such commissioned officer is actually engaged in the taking of such votes;

And whereas the Secretary of State submits that there is a possibility that a few War Service electors may attempt to vote more than once at the next general election and that, especially in the case of the above-mentioned classes of electors, it will be very difficult to prevent them from doing so;

And whereas the Secretary of State is of the opinion that when it has been ascertained by the special returning officer and his staff that a War Service elector has voted more than once at a general election the outer envelopes containing the ballot papers marked by such elector should be laid aside unopened;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Secretary of State, and under the authority of the War Measures Act, is pleased to amend The Canadian War Service Voting Regulations, 1944, and they are hereby amended by the insertion therein of the following as paragraph 43A thereof:

"43A. If, during the receiving and sorting of the outer envelopes, as prescribed by paragraphs 39-43 of these Regulations, or the counting of the votes cast by War Service electors, as prescribed by paragraphs 44-48 of the said Regulations, it is

ascertained that a War Service elector has voted on more than one occasion, the outer envelopes relating to such elector shall be laid aside unopened. The returning officer shall endorse on such envelope the reason why it has not been opened, and such endorsement shall be initialled by at least two scrutineers. The ballot papers contained in such unopened outer envelopes shall be deemed to be rejected ballot papers. After the counting of the votes has been completed, the special returning officer shall send such unopened outer envelopes to the Chief Electoral Officer with the other parcels and documents mentioned in paragraph 53 of these Regulations. The special returning officer shall at the same time send to the Chief Electoral Officer a detailed report in every case in which it has been ascertained that a War Service elector has voted on more than one occasion."

A. D. P. HEENEY,
Clerk of the Privy Council.

Order No. M.V.C. 21D-1

(Order No. M.V.C. 21D—Motor Vehicle Replacement Parts—Amended)

Dated April 11, 1945

Pursuant to the powers conferred by Order in Council P.C. 1121 of February 13, 1941, and any other Order in Council or Statute, it is hereby ordered as follows:—

1. Section 3 Amended

Section 3 of the Motor Vehicle Controller's Order No. M.V.C. 21D dated December 22, 1944, is rescinded and the following substituted therefor:

"3. Restrictions on Distributors Inventories

(1) No distributor shall order at any one time more than a forty-five day supply of replacement parts and no distributor shall accept delivery of replacement parts, which in combination with his existing inventory of replacement parts, measured in total dollar cost value, shall exceed a ninety-day supply. Forty-five-day supply means a supply in dollar cost value at distributor's cost equal to one-half the distributor's total sales, at his cost of such parts, sold by him during the three calendar months immediately preceding the date of such order.

(For example, in the case of an order placed in April, 1945, a forty-five day supply would be one-half of the total dollar cost value of sales in the months of January, February and March, 1945.)

(2) Notwithstanding the provisions of subsection (1) next preceding, a distributor may accept delivery of specific items of replacement parts when his stock of all items in the aggregate exceeds, or will by virtue of such acceptance exceed, his maximum permissible inventory as specified in said subsection (1), but only to the extent necessary to bring such distributor's inventory of those specified items up to a total-dollar value equal to the sales of such items shipped from such inventory during the preceding month, or the last thirty-day period in which a sale was made."

ANNEX TO EXPORT PERMIT BRANCH ORDER No. 112

I. The following Regulations of the Export Permit Regulations of May 1, 1944, are re-numbered:—

Regulations 16 to 27, inclusively, become Regulations 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25 and 26, respectively.

Regulations 30 to 49, inclusively, become Regulations 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, and 46, respectively.

II. The following additional amendments are made to the Export Permit Regulations of May 1 1944:—

- (a) Regulation 7 is amended by the deletion therefrom of the item Rubber and Rubber Products, so that export permits are not required for casual shipments thereof, valued at \$25 or less to Newfoundland.
- (b) Regulation 11 is amended by the addition thereto of the following phrase after the word "consignee":

"Unless otherwise arranged with the Export Permit Branch"

- (c) The second sentence of Regulation 14(a) is amended to read as follows:—

Three copies of the permit will be retained for the use of the Export Permit Branch, one copy sent direct to the port of exit, and two copies to the exporter—one for his files and the original to be delivered by him to the carrier to be firmly attached to the waybills accompanying the shipment to the Canadian port of exit. For shipments through United States ports, see Regulation 14(c) and (d).

- (d) Regulation 14(b) is amended to read as follows:—

Where it is proposed to export the goods covered by any one application in a series of shipments spread over the life of the permit, the exporter should state this intention in his application and give the name and address of his nearest Customs Office. On making his first shipment, the exporter should then present to this Customs Office for approval the original copy of the export permit, together with the relevant Export Entry Form B-13 upon which the Collector of Customs will endorse the export permit number and indicate the expiry date of the export permit. The Collector of Customs will retain the export permit but return the Export Entry Form B-13, duly stamped and bearing the expiry date of the export permit, which must then accompany the shipment to the port of exit where the Collector of Customs will permit export. Subsequent partial shipments under the permit should be covered in a similar manner by an Export Entry Form B-13 duly stamped, expiry date of permit recorded thereon, and approved by the Customs Officer with whom the export permit was originally lodged. For shipments proceeding through the United States to other destinations, see Regulation 14(c).

- (e) Regulation 15 is incorporated in Regulation 14(a).

- (f) Former Regulation 20(b), renumbered Regulation 19(b), is amended to read as follows:—

- (1) Subsidy refund for Butter, Cheese, Milk—Receiver General of Canada, Account Agricultural Foods Board.
- (2) Other commodities involving subsidy refund—Commodity Prices Stabilization Corporation Limited.
- (3) Grains and grain products involving equalization fee—The Canadian Wheat Board.
- (4) Benefit repayment for Linseed Oil—The Canadian Wheat Board.

Exporters of cotton goods wishing to have subsidy repayment waived must forward, with the export permit application, a certificate in such form as the Commodity Prices Stabilization Corporation Limited may approve, setting out the circumstances and certifying that the cotton content of such goods has not been subsidized. Certificate forms may be obtained from the Export Permit Branch.

- (g) The second sentence of former Regulation 21(a), renumbered Regulation 20(a), is deleted and the following sentence substituted therefor:—

"If movement from point of lading as shown by the waybill, has been made prior to the expiry date stamped on the export permit and recorded on the relevant Export Entry Form B-13, the shipment will be allowed to proceed under the original permit, regardless of the fact that the shipment has not reached the port of exit."

- (h) Former Regulation 27, renumbered Regulation 26, is amended by the addition of the following group of words to the last sentence thereof:—

"and accompanied by remittance to cover the correct amount of subsidy payment refund".

The Canned Fish Allocation Regulations

P.C. 2751

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 17th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the several recommendations of the Combined Food Board to which the Government of Canada has signified its adherence involve a plan of allocating the supplies of canned fish which are or will be available to the United Nations amongst the United Nations and friendly neutral countries;

And whereas the Minister of Fisheries reports that in order effectually to ensure the fulfilment of Canada's obligations to allocate supplies of canned fish in accordance therewith in a manner least likely unduly to disturb the canning industry, it is expedient that power to control and direct the export of canned fish be conferred on the Minister of Fisheries; and

That the conferring and exercise of such powers are necessary, by reason of the state of war now existing, for the security, defence, peace, order and welfare of Canada.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Fisheries concurred in by the Minister of Justice, the Minister of Finance, and the Minister of Trade and Commerce, and under the authority of the War Measures Act, is pleased to make the following regulations and they are hereby made and established accordingly,—

REGULATIONS

1. These regulations may be cited as the Canned Fish Allocation Regulations.
2. In these regulations, unless the context otherwise requires,—
 - (a) "assembler" means a person who buys canned fish directly from a canner, except for resale at retail in Canada;
 - (b) "canner" means the person operating a fish cannery;
 - (c) "exporter" means a person who is registered under these regulations as an exporter of canned fish from Canada;
 - (d) "Minister" means the Minister of Fisheries;
 - (e) "permit" means an export permit issued by or on behalf of the Minister of Trade and Commerce.

Registration of Exporters and Assemblers and Cannerys

3. (1) No person shall on or after May 1st, 1945, export canned fish from Canada unless he is registered under these regulations as an exporter of canned fish.
- (2) No assembler shall, on or after May 1st, 1945, buy canned fish directly from a canner unless he is registered under these regulations as an assembler.
- (3) No person shall, on or after May 1st, 1945, operate as a canner unless he is registered as such under these regulations.

Duties of the Minister

4. (1) It shall be the responsibility of the Minister to control and direct the export of canned fish from Canada to give effect to the recommendations of the Combined Food Board of the United Nations.
- (2) For such purpose it shall be the duty of the Minister to control and direct the issuance of permits to export canned fish to exporters in order, in so far as to him seems practicable, equitably to divide between exporters the aggregate export trade in canned fish of any type, kind or grade exported from Canada to any market or place outside Canada.
- (3) The Minister shall establish and maintain a register of persons who export or desire to export canned fish from Canada of assembler and licensed cannerys.

Powers of the Minister

5. (1) The Minister may, by order,
 - (a) require a canner, exporter, or assembler in such manner and within such time as the Minister specified, to furnish such information or to make such reports with respect to transactions heretofore or hereafter entered into by such canner, exporter or assembler relating to the acquisition, disposition or export of canned fish as the Minister deems expedient;
 - (b) require a canner, exporter or assembler to permit the Minister or any person acting on his behalf to examine the accounts, books or records of such canner, exporter or assembler relating to transactions heretofore or hereafter entered into by such canner, exporter or assembler with respect to the acquisition, disposition or export of canned fish and to make copies thereof or to take extracts therefrom;

- (f) require all or any canned fish owned by or in the possession of or under the control and direction of a canner, exporter or assembler to be inspected or graded before such canned fish is exported from Canada;
- (g) prescribe the manner in which the aggregate quantity of canned fish of any kind or grade to be exported from Canada to any market or place outside Canada shall be divided between exporters and for such purpose to establish quotas prescribing the kind, grade and quantity which may be exported to such market or place by an exporter;
- (h) Notwithstanding anything contained in this or any other Order in Council or regulation, prohibit the export of canned fish from Canada by an exporter except with the approval of the Minister or prohibit the issue to an exporter of any permit authorizing the export of canned fish from Canada for which provision is made under any such Order in Council or regulation except in such manner as will give effect to quotas established by the Minister for the export of canned fish by the exporter;
- (i) require a canner, exporter or an assembler to offer canned fish of any grade or kind owned by him or in his possession or under his control and direction for sale to any person for export purposes, and prescribe the terms and conditions of such offer;
- (j) exclude, on such terms and conditions as he deems expedient, any canner, exporter or assembler or class of canners, exporters or assemblers from the operation of the whole or any part of these regulations;

6. (1) There shall be established two committees to be known as the Canned Fish Advisory Committees whose members shall be appointed by the Minister; one situated in the east of Canada whose members shall include representatives of the canning industry from the provinces of Nova Scotia, New Brunswick, Prince Edward Island and Quebec, and the other situated in the west of Canada, whose members shall include representatives from the province of British Columbia and such other persons as the Minister may appoint to either Committee.

(2) It shall be the duty of the Canned Fish Advisory Committees to advise the Minister on all matters which the Minister may refer to them in connection with the administration of these regulations.

(3) A member of the Canned Fish Advisory Committee shall serve without remuneration but shall be paid his reasonable and actual travelling and living expenses while away from his place of residence in connection with the performance of his duties as member of the Committee.

Administration

7. The Minister may, with the approval of the Governor in Council, employ such officers, clerks and employees as may be necessary for the administration of these regulations and, with such approval, fix their remuneration.

8. The Minister may, in the manner provided by law, establish at any place in Canada such office or offices as are required for the administration of these regulations and may provide therefor the necessary accommodation, stationery, equipment and telephones.

9. The Minister may authorize any person employed by him in the administration of these regulations to exercise, under his control and direction, each and every power conferred on him by section five of these regulations including any power involving the exercise of a discretion.

10. Any document purporting to contain any order made pursuant to these regulations and purporting to be signed by the Minister or any person who is stated therein to be authorized by the Minister to make such order shall be *prima facie* proof of such order and of the authority of such person to make it.

11. P.C. 2752

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 17th day of April, 1945.

PRESENT:

HIS EXCELLENCY,
THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 9870 of the 17th day of December, 1941, as amended, Commodity Prices Stabilization Corporation Ltd., is empowered, subject to the approval of the Governor General in Council and to the extent expressed in such approval, to guarantee repayment of any loan made by any person, firm or corporation or payment of any promissory note discounted by any person, firm or corporation for any other person, firm or corporation;

And whereas the Minister of Finance reports that he has received representations from the Wartime Prices and Trade Board that it is in the national interest that the purchase by consumers of coal in the summer months of 1945 be facilitated by means of such corporation guaranteeing on the terms and conditions hereinafter set forth, payment of promissory notes made to secure the purchase price of coal, coke or briquettes;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and pursuant to the powers conferred by the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, and otherwise, is pleased to approve and doth hereby approve the exercise by Commodity Prices Stabilization Corporation Ltd. of its power to guarantee from time to time the payment of any promissory note made to secure the purchase price of any coal, coke or briquettes and discounted by any person, firm or corporation for any other person, firm or corporation provided that:

- (a) Any such guarantee given by Commodity Prices Stabilization Corporation Ltd. shall be upon the terms and conditions set forth in the draft form of guarantee hereto annexed, subject to such changes therein as the Minister may from time to time deem proper; and
- (b) The aggregate sum of money involved in all such guarantees given by Commodity Prices Stabilization Corporation Ltd. shall not exceed the sum of \$500,000 without the further approval of the Governor in Council.

A. D. P. HEENEY,
Clerk of the Privy Council.

FORM OF GUARANTEE

For valuable consideration received, Commodity Prices Stabilization Corporation Limited, (hereinafter referred to as "the corporation") hereby guarantees to..... (hereinafter referred to as "the bank") payment of all promissory notes for the purchase of coal, coke or briquettes for summer stocking (hereinafter referred to as "notes"), given by consumer purchasers of any such fuel to dealers therein and discounted by the bank, provided that each note in order to be eligible for guarantee must be

- (1) made by a consumer purchaser of coal, coke or briquettes and payable to a dealer therein in payment of any such fuel and does not exceed \$250 and is not less than \$50 in amount including interest at the basic rate of 6.2 per cent per annum (if more than one note is taken to cover a transaction where payment is not being made in equal monthly instalments, the series of notes shall be regarded as one note in the computation of maximum and minimum amounts referred to);

- (2) dated not later than October 15, 1945, and discounted by the bank not later than October 30, 1945, for the vendor of such fuel who has endorsed such note; and
- (3) payable by regular or irregular instalments the last of which, or in one amount which, shall be payable not later than May 15, 1946, plus days of grace.

The liability of the corporation hereunder is limited to an amount equal to 10 per cent of the aggregate amount of such notes discounted by the bank.

The Corporation will pay on each unpaid note interest to the date of payment at the rate of 3½ per cent per annum from the date of maturity of each unpaid instalment or from the date of the maturity of the note if payable in one amount.

Payment under this guarantee will be made by the Corporation as of December 31, 1946, in respect of such notes as are unpaid on that date. If requested, the bank will assign to the Corporation all rights and privileges of the bank in respect of such notes or, if requested, the bank will act as collection agent for the Corporation in respect of such unpaid notes and will pay to the Corporation every month thereafter such net amounts as the bank may have collected.

After default by the maker of any such promissory note has occurred, the bank shall use due diligence short of legal proceedings to effect collection from such maker and endorser, and for the purpose of effecting collection it may take any steps whether by way of legal proceedings or otherwise without in any way invalidating the guarantee or discharging it to any extent.

Order in Council amending The Canadian War Service Voting Regulations, 1944

P.C. 2826

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 19th day of April, 1945.

PRESENT:

HIS EXCELLENCY,

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Secretary of State reports that the veterans of the present war who are receiving treatment or domiciliary care in hospitals and other institutions under the jurisdiction of the Department of Veterans Affairs have been granted the privilege of voting as War Service electors by an Order in Council dated the 20th day of February, 1945, (P.C. 1054).

And whereas the Secretary of State states that he is advised that, in these hospitals and other institutions, there is at the present time a very substantial number of veterans of the last war who are receiving temporary treatment and domiciliary care, and in most cases such veterans of the last war are receiving such treatment or domiciliary care at a considerable distance from their ordinary places of residence in Canada, and are entitled to vote only in such ordinary places of residence as civilian electors; and

That he is of the opinion that veterans of the last war receiving temporary treatment or domiciliary care in hospitals and other institutions under the jurisdiction of the Department of Veterans Affairs should be granted the same voting privileges as veterans of the present war.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Secretary of State and under the authority of the War Measures Act, is pleased to amend the Canadian War Service Voting Regulations, 1944, and they are hereby amended by the insertion of the following as paragraph 37C of the said Regulations:

"37C (1) Every person who (a) is a British subject, (b) has been ordinarily residing in Canada during the last twelve months, (c) was a member of the Naval, Military or Air Forces of Canada during the War 1914-18, (d) during a general election is, in Canada, receiving temporary treatment or domiciliary care in any

hospital or institution operated by the Department of Veterans Affairs, or is receiving treatment or domiciliary care in any other hospital or institution at the request of or on behalf of such Department, shall, whenever such hospital or institution is situated outside of the place of ordinary residence of such person, be entitled to vote at a general election as a War Service elector and may cast his vote before a commissioned officer specially designated for that purpose by an appropriate commanding officer, on the production to such commissioned officer of satisfactory proof of identity.

(2) Upon the request of the appropriate special returning officer, any commanding officer, conveniently stationed, shall designate a commissioned officer to take the votes of the persons referred to in the preceding subparagraph.

(3) The superintendent of every hospital or other institution, where such persons are receiving treatment or domiciliary care as aforesaid, shall afford all necessary facilities to such persons to cast their vote in the manner prescribed by these Regulations."

A. D. P. HEENEY,

Clerk of the Privy Council.

Whereas in the City of Toronto there is, due to existing wartime conditions, insufficient housing accommodation available by ordinary means for the shelter of all who are in need of such accommodation and it is desirable, in the public interest to encourage and, where necessary, to authorize the maximum and best possible use of available real property by the conversion of existing dwelling houses into multiple dwelling houses, notwithstanding the provisions of by-laws, building restrictions or covenants in leases and conveyances which prohibit or limit such conversions;

And whereas application has been made by the owner of real property in the City of Toronto known in the year 1945 as No. 126 Crescent Road, for permission to convert the same into a two-family dwelling house;

And whereas the Special Committee on Residence Conversions appointed by the Council of the Corporation of the City of Toronto has approved such conversion of the aforesaid real property subject to the conditions hereinafter set forth;

Now therefore, pursuant to authority conferred by the Wartime Prices and Trade Board, it is hereby ordered as follows:—

1. Notwithstanding the terms or provisions of any law, by-law, conveyance, deed or agreement which in any way prohibits or restricts the conversion of real property known in the year 1945 as 126 Crescent Road, in the City of Toronto and Province of Ontario, into and the use thereof as a multiple family dwelling house, the owner of such single family dwelling house is hereby permitted to convert into and use the same as a two-family dwelling house, subject to the following conditions:—

- (a) no dwelling unit therein shall have a floor area less than five hundred square feet;
- (b) all exterior alterations to the said dwelling house shall be subject to approval by the Commissioner of Buildings for the Corporation of the City of Toronto;
- (c) the said dwelling house shall not be enlarged except as may be required or permitted by the said Commissioner of Buildings under the provisions of Building By-law Number 9868 of the Corporation of the City of Toronto.

DEPARTMENT OF MUNITIONS AND SUPPLY

COAL CONTROLLER

Order No. Coal 22

(Imported Bituminous Coal Distribution)

Dated April 12, 1945.

Solid Fuels Administration for War Regulation No. 27 supersedes SFAW Regulation No. 23 and makes substantial changes in the Regulations governing the delivery of bituminous coal by United States shippers to users and distributors. The purpose of this Order is to enable Canadian users and distributors to conform to these changes.

Therefore, pursuant to the powers conferred by Order in Council P.C. 1752 of March 5, 1943 and any other Order in Council or Statute;

IT IS HEREBY ORDERED AS FOLLOWS:

1. Order No. Coal 15 Rescinded

The Coal Controller's Order No. 15 dated August 30, 1944 is rescinded.

2. Meaning of Terms Used in this Order

For the purposes of this Order, unless the context otherwise requires:

- (a) "coal" or "bituminous coal" means all bituminous and sub-bituminous coal produced in the United States of America.
- (b) "special purpose coal" or "coal for special purpose use" means coal which is to be
 - (i) charged into by-product ovens for the production of coke for metallurgical uses, or for the production of gas or for the recovery of by-products; or
 - (ii) used for metallurgical processes (except for foundry facings) in which the coal or its products of combustion come in direct contact with the metal during the processing; or
 - (iii) used for the production of manufactured gas in gas retorts or in water gas sets; or
 - (iv) used as a raw material, because of special chemical or physical characteristics, to form a component part of chemicals, or used directly in a chemical process; or
 - (v) used for the production of beehive coke.
- (c) "coal in domestic sizes" means block, lump, egg, stove, nut, stoker, pea, domestic run-of-mine, straight run-of-mine, resultant, modified and altered run-of-mine, and screenings larger than 2" x 0.
- (d) "wholesaler" means any distributor, jobber, forwarder, commercial dock operator (river, lake or tidewater) or other person (except a retail dealer) who resells bituminous coal.
- (e) "commercial dock operator" means any person to the extent that he sells coal received by him by vessel or barge at a dock or other unloading facility located on the Great Lakes or on a river or at tidewater;

- (f) "retail dealer" means any person (including the retail outlet, branch or department of one who is also a wholesaler or commercial dock operator) to the extent that he delivers or otherwise disposes of coal physically handled in a truck, wagon or other less than carload facility, without regard to quantity or frequency of delivery;
- (g) "industrial consumer" means any consumer except the following:
 - (i) any consumer to the extent that he acquires coal for use in any house, apartment house, hotel or other dwelling;
 - (ii) any consumer to the extent that he acquires coal for any use in any of the following buildings: schools, churches and meeting houses, court-houses, prisons, police or fire stations, libraries, museums, banks, offices or office buildings, stores and retail or service establishments of any kind, passenger terminals and depots (airplane, railroad, trolley, bus, ship or ferry), warehouses, garages, restaurants, taverns or bars, gymnasiums, auditoriums, theatres, club or lodge houses or rooms, places of amusement, dancing studios, zoos, stables and kennels; or

- (i) "district" means a bituminous coal producing district in the United States of America as described in Schedule "A" to this Order.

3. *Summary of Important Provisions of SFAW Regulation No. 27*

(1) *Special Purpose Coal—First Preference*

United States shippers are required to give first preference to shipments against orders for special purpose coal.

(2) *Retail Dealers—Second Preference*

Retail dealers who received coal produced in Districts 7 and 8 from a United States shipper during the period April 1, 1943 to March 31, 1944 or who received coal produced in other districts from a United States shipper during the period April 1, 1944 to March 31, 1945, are entitled to receive from that shipper a second preference with respect to deliveries of domestic sizes of coal up to 80 percent of the total tonnage shipped by him to the retail dealer during the applicable period, plus 80 percent of any coal in domestic sizes produced in Districts 7 and 8 which was shipped to the retail dealer during the period April 1, 1944 to March 31, 1945 at the direction of SFAW.

(3) *Wholesalers Preference for Coal for Resale to Retail Dealers*

Wholesalers who received coal from United States shippers from the districts and during the periods set out in subsection (2) preceding are entitled under certain conditions, to a similar preference up to the same proportionate amount of domestic sizes of coal required by them to fill orders placed with them by retail dealers.

(4) *Coal Moving Via the Great Lakes—Third Preference*

Subject to the preferences set out in subsection (1), (2) and (3) of this Section, United States shippers are required to give a preference to meet in full orders for coal moving via the Great Lakes placed pursuant to a contract entered into in accordance with SFAW Regulation No. 25 and with the Coal Controller's Order No. Coal 16 dated February 8, 1945.

(5) *Prohibition on Shipments to Industrial Consumers*

United States shippers are prohibited from shipping any coal during any month to any consumer who receives during the month from any source more than 50 tons or one carload, unless

- (a) the order for the coal has been received by the shipper on or before the 24th day of the preceding month; and
- (b) the written order, or confirmation of the order, contains the information set out in Section 4 of this Order.

(6) *Prohibition on Shipments to Wholesalers*

United States shippers are prohibited from shipping any coal to a wholesaler (except a commercial dock operator located on the Great Lakes) unless the wholesaler's order contains,

- (a) the names and locations of the consumers to whom the coal is to be resold by the wholesaler; and
- (b) the information required to be given by the consumer in his order placed on the wholesaler as set out in Section 4 of this Order.

This information is not required when the Order is for coal to be shipped to a lower lake dumping port or to a tidewater dumping port and the coal is not segregated and earmarked for transshipment to a particular consumer.

4. *Information to be Given by Consumers:*

(1) *Orders placed on United States Shippers*

Every consumer who receives, during any month, from all sources combined more than 50 tons or one carload of coal, must, if he wishes to obtain shipment from a United States shipper, file his order with the shipper on or before the 24th day of the month preceding the month of shipment and must accompany his order, or confirmation of the order, with the following information,

- (a) separately, by uses, the specific number of tons ordered from the supplier;
- (b) separately, by uses, his estimated days' supply as of the last day of the month during which the order is placed.
- (c) separately, by uses, his monthly consumption requirements;
- (d) separately, by uses, and groups of districts, the total tonnage of coal he has ordered from all suppliers for delivery to him from each group of districts during the same month. Districts 9, 10, 11 and 13 are to be reported as Group A; Districts 1-4 inclusive, and 6 as Group B; Districts 7 and 8 (high volatile) as Group C; Districts 7 and 8 (low volatile) as Group D; and all other districts and Canada as Group E;
- (e) a statement on the order or confirmation of the order certifying that the consumer is entitled under this Order to receive the amount of coal ordered and that he has not placed any other order for coal.

(2) *Orders placed on Canadian Wholesalers and Retail Dealers*

Every such consumer who places an order for coal with a Canadian wholesaler or retail dealer, must, if the dealer requires it in order to obtain the coal from a United States shipper, provide the dealer with the information set out in subsection (1) of this Section and the order should be placed with the dealer a sufficient length of time before the 24th of the month to enable the dealer to file his order with the United States shipper on or before that date.

5. *Calculation by Industrial Consumers of "Days' Supply" and "Monthly Consumption Requirements"*

For the purpose of determining how much coal he is permitted to receive under this Order, each industrial consumer must calculate his days' supply and monthly consumption requirements of coal as follows:

- (a) *Days' Supply*

"Days' supply" means the total amount of bituminous coal which a consumer reasonably expects he will have in storage upon the last day of the calendar month in which he places an order for coal, divided by the average number of tons he reasonably expects will be consumed each day (including Sundays and legal holidays) during the succeeding calendar month.

NOTE: If his estimated requirements during the succeeding month represent less than 5 per cent of the total tonnage consumed during the calendar year 1944, he may compute his days' supply by dividing the amount of coal he estimates he will have in storage on the last day of the month by the average number of tons consumed each day during the months of December 1944, January 1945 and February 1945.

In determining the amount of coal he has "in storage" he shall include all bituminous coal produced in the United States or in Canada which he reasonably expects will be in his bin, stock-pile, in railroad cars or vessels, or in other storage facilities auxiliary to each of his plants or buildings (or railroad systems). He shall also include coal which is held in storage for his account or under his control. He should not include coal in transit which is not expected to arrive at his plant, building, or storage facility (or railroad system) by the end of the month in which the order is placed. (A railroad system, in computing days' supply, shall include coal in cars on its system for its own use as well as coal on the ground or in other storage facilities.)

If he uses a single storage facility to supply coal to two or more plants or buildings (or railroad systems) he shall compute the days' supply of coal for each plant or building (or railroad system) separately. This is done by dividing the tonnage in the storage facility by the sum of the average number of tons the consumer expects will be consumed at each plant or building (or railroad system) each day (including Sundays and legal holidays) during the succeeding calendar month. The result of this process of division shall be deemed to be the days' supply of each plant or building (or railroad system).

He shall compute separately his days' supply of those sizes and qualities of bituminous coal which are not substantially interchangeable in his operations.

If the coal is ordered for a railroad system which uses coal produced in various districts, he shall compute separately the days' supply by groups of districts as set out in Section 4(d) of this Order.

(b) *Monthly Consumption Requirements*

"Monthly consumption requirements" means the requirements of a plant or building (or railroad system) during the succeeding calendar month.

NOTE: If the requirements of a plant or building during the succeeding calendar month represent less than 5 per cent of the total tonnage consumed during the calendar year 1944, the average requirements of such plant or building during the months of December 1944, January 1945 and February 1945 may be substituted as the "monthly consumption requirements" for such plant or building.

Compute separately monthly consumption requirements for those sizes and qualities of bituminous coal which are not substantially interchangeable in the operations.

If the coal is ordered for a railroad system which uses coal produced in various districts, compute separately the monthly consumption requirements of coal by groups of Districts as set forth in Section 4(d) of this Order.

6. *Special Purpose Coal—Restriction on Industrial Consumer Receipts*

(1) An industrial consumer who uses 100 tons or more of special purpose coal per month must not receive, during the period April 1, 1945 to March 31, 1946, any more of such coal than the amount covered by contracts approved by the Controller.

(2) An industrial consumer who uses less than 100 tons of special purpose coal per month must not receive, during the period April 1, 1945 to March 31, 1946 any more of such coal than his consumption requirements for the period.

7. Coal Moving via Great Lakes or Ex-Lake Dock—Restrictions on Industrial Consumer Receipts

An industrial consumer who receives coal via the Great Lakes, whether directly at a dock or ex-lake dock, must not receive, during the period April 1, 1945 to May 15, 1946, more coal than the amount he has contracted for in accordance with the Coal Controller's Order No. Coal 16 plus an amount which will provide him, on May 15, 1946, with a stockpile of not more than 300 tons. Delivery of coal contracted for may be taken at any time after April 1, 1945, but contracts are subject to modification by the Controller.

8. Coal Other than Special Purpose Coal and Coal Moving via the Great Lakes or Ex-Lake Dock—Restrictions on Industrial Consumer Receipts

(1) Coal produced in Districts 1, 2, 3, 4 and 6 and High Volatile coal produced in Districts 7 and 8

An industrial consumer must not receive during any month any coal produced in Districts 1, 2, 3, 4 and 6 or any high volatile coal produced in Districts 7 and 8 in amounts greater than those shown on the Stock Limitation Table set out below. The Table operates as follows:

Column 1 indicates the consumer's days' supply. The remaining columns show the maximum percentage of monthly consumption requirements which the consumer may receive.

Columns 2 and 3 apply to receipts by public utilities.

Columns 4 and 5 apply to receipts by all other industrial consumers.

Columns 3 and 5 apply to the same class of consumers as Columns 2 and 4 respectively, but only to the extent that they receive coal by tidewater at a dock or other unloading facility.

^a An amount of coal not in excess of that required to reduce the Consumer's coal on hand to base by the end of the month for which the coal is ordered. A consumer's base is that days' supply at which he is permitted to receive 100 percent of his monthly consumption requirements as indicated in the Table.

9. Coal Produced in Districts 9, 10, 11 and 13—Restriction on Industrial Consumer Receipts

A consumer whose days' supply exceeds 90 days must not receive during any month any coal produced in Districts 9, 10, 11 and 13 in an amount greater than 100 percent of his monthly consumption requirements.

10. Coal Produced in more than one District—Restrictions on Industrial Consumer Receipts

(1) *Two districts*

An industrial consumer who receives coal from any two districts having different restrictions must not receive more coal in the aggregate during any month than the quantity he may receive under this Order from the more liberal district and must not receive from the less liberal district any more coal than he is permitted to receive if he bought coal only from that district.

(2) *Three Districts*

An industrial consumer who receives coal from three districts having different restrictions must not receive more coal in the aggregate during any month than he may receive under this Order from the most liberal district. He must not receive from the least liberal district more coal than he is permitted to receive if he bought only from that district and must not receive from the next most liberal district an amount of coal greater than the difference between the amount he is permitted to receive from that district and the amount he receives from the least liberal district.

11. Surplus Coal

Notwithstanding the restrictions on the quantity of coal an industrial consumer may receive as heretofore set out, he may receive without restriction any surplus coal which may be offered to him under the provisions of SFAW Regulation No. 27.

12. *Preferences to be Given by Wholesalers*

(1) *Special Purpose Coal—First Preference*

Each wholesaler shall arrange his distribution schedules for the period April 1, 1945, to March 31, 1946 so that orders for special purpose coal are met in full. A wholesaler must not ship coal suitable for special purpose use to any person for any other use until he has made adequate provision for filling these orders.

(2) *Coal in Domestic Sizes—Retail Dealer—Second Preference*

Each wholesaler shall arrange his distribution schedules for the period April 1, 1945 to March 31, 1946 so that, subject to a first preference for special purpose coal, orders for coal in domestic sizes from those retail dealers to whom the wholesaler shipped coal.

- (a) during the period April 1, 1943 to March 31, 1944, as to coal produced in Districts 7 and 8; or
- (b) during the period April 1, 1944 to March 31, 1945, as to coal produced in other districts

are met, either all rail or ex-lake dock, to the extent of 80 percent of the aggregate tonnage of the coal produced in the respective districts which was shipped, all rail and ex-lake dock, by the wholesaler to the retail dealer during the respective periods.

13. *Wholesalers to Distribute Coal Proportionately Among Retail Dealers*

Each wholesaler shall, to the utmost extent practicable, distribute coal in domestic sizes, as it becomes available, proportionately among all his retail dealer customers up to the limit of the preference provided for by Section 12 (2) of this Order.

14. *Information to be Supplied by Wholesalers to Retail Dealers*

On or before May 15, 1945, each wholesaler must provide each retail dealer to whom the wholesaler is required to give a preference with respect to coal in domestic sizes, with the following information,

- (a) the aggregate maximum amount of such coal for which the retail dealer is entitled to a preference under Section 12 of this Order;
- (b) as nearly as possible, an estimate of the amount of such coal which the wholesaler will have available for the retail dealer and the approximate rate at which shipments consistent with this Order will be made.
- (c) the dates when the retail dealer's orders should be placed to assure regular shipments.

15. *Wholesalers—Limitation on Deliveries*

A wholesaler must not deliver to any industrial consumer any more coal than the industrial consumer is entitled to receive under this Order and must not deliver to any retail dealer any more coal than the retail dealer is entitled to receive under subsection (5) of Section 16 of this Order.

16. *Retail Dealers*

(1) *Preference shipments*

A retail dealer who is entitled to preferential deliveries of domestic sizes of coal from United States shippers as set out in SFAW Regulation No. 27 and summarized in subsection (2) of Section 3 of this Order or from a Canadian wholesaler as set out in Section 12 (2) of this Order, will be notified by the shipper respectively as to

- (a) the amount of coal which the dealer is entitled to receive as a preference; and
- (b) the amount of coal which the shipper expects to ship; and
- (c) the dates when the dealer should place his orders in order to assure regular shipments.

Each retail dealer so notified should place his orders promptly and make reasonable arrangements with his supplier to accept coal when offered. If a retail dealer does not agree to accept shipments of coal when offered by a shipper under reasonable terms, the shipper is no longer bound to make the shipments.

(2) *Preference to Consumers Using Less than 50 Tons per Annum*

In delivering coal in domestic sizes to consumers, each retail dealer shall give preference to those consumers whose normal annual requirements of all solid fuels are less than 50 tons.

(3) *How Deficiencies are Met*

A retail dealer who is notified by his supplier that he will be unable to ship the full amount of coal for which the retail dealer is entitled to preferential delivery should arrange to obtain the deficiency from another supplier and having done so, should request the supplier, if he is a United States shipper, to obtain from the proper authority under SFAW Regulation No. 27 specific authorization to make the shipment, or if he is a Canadian wholesaler, to obtain such authorization from the Controller.

(4) *Additional coal for industrial consumers*

If the amount of coal in domestic sizes for which a retail dealer is entitled to a preference under SFAW Regulation No. 27 and under Section 12 (2) of this Order is not enough to enable him to supply his customers who are industrial consumers and who require such coal, he may apply to the Controller for specific authorization to obtain additional coal. Such an application must show,

- (a) the name of each industrial consumer to whom the dealer expects to ship coal in domestic sizes; and
- (b) the tonnage by sizes, which the dealer delivered to each such consumer during the period April 1, 1944 to March 31, 1945; and
- (c) the tonnage, by sizes, which the dealer expects to deliver to each such consumer during the period April 1, 1945 to March 31, 1946; and
- (d) the additional amount of coal required; and
- (e) the aggregate amount of coal in domestic sizes which the dealer received during the period April 1, 1944 to March 31, 1945; and
- (f) the aggregate amount of such coal which the dealer expects to receive during the period April 1, 1945 to March 31, 1946;
- (g) the specific use to which the coal is put by each such consumer; and
- (h) the name of the supplier from whom the retail dealer believes the additional amount of coal can be obtained.

(5) *Restrictions on Receipts—All Sizes*

A retail dealer must not receive from all sources combined more coal in the aggregate in all sizes than,

- (a) his total receipts from April 1, 1943 to March 31, 1944; or
 - (b) His total receipts from April 1, 1944 to March 31, 1945;
- whichever amount is the greater.

17. *Hospitals*

No person shall, during the period April 1, 1945 to May 15, 1946, inclusive, take delivery of any more coal for use in any hospital than the quantity which, when added to the quantity on hand on the premises, will last until May 15, 1946.

18. *Preference to be Given by Importers to Upper Lakes and Lower St. Lawrence*

Every importer who directs shipments of coal to more than one dock shall, except when the coal is special purpose coal, and consistent with mines production, availability of ships, unloading capacity of docks and other factors affecting the orderly movement of coal, give preference to shipments that he is required to make to docks west of, but not including Sarnia, Ontario, and east of, but not including Montreal, P.Q.

19. *Reports*

(3) Where an employee, who has become entitled to reinstatement in his original employment by virtue of the provisions of this section, is or has been directed or requested by a Selective Service Officer to accept employment other than his original employment under this part, such employee shall, upon the termination of the employment which he has been or may hereafter be directed or requested to accept, have the same right to reinstatement in his original employment as that to which he was entitled upon the termination of the first employment which he was directed or requested to accept.

(4) For the purpose of subsection three of this section "original employment" shall mean the employment in which the employee was employed at the time he received and accepted his first direction or request from a Selective Service Officer to accept other employment under this part.

Appeals

(1) Where a Selective Service Officer refuses to grant a permit or permission or cancels a permit, or makes an order, direction, ruling or finding under this part, a person affected thereby, or a representative of a trade union or similar organization to which a person affected thereby belongs, may appeal therefrom to a court of referees by a notice in writing containing a statement of the grounds of the appeal filed in the local office within seven days from the day the permit or permission was refused or the permit was cancelled or the order, direction, ruling or finding was made.

(2) Where a Selective Service Officer grants permission to an employer or employee to terminate employment or grants permission to an employer to lay off an employee, the employer or employee may appeal therefrom to a court of referees by a notice in writing containing a statement of the grounds of the appeal filed in the local office within forty-eight hours from the day he receives notice that permission to terminate the employment or to lay him off has been granted.

(3) If an appeal is filed pursuant to subsection two of this section, the employee shall remain in his employment and the employer shall retain the employee in his employment until the appeal has been decided.

(4) Where, on an application by an employer for permission to terminate the employment of an employee or to lay him off, a Selective Service Officer is satisfied that it has been made necessary to terminate the employment or to lay him off by reason of

(i) a shortage of materials,

- (ii) a breakdown of machinery,
- (iii) the absence from work of another employee or group of employees,
- (iv) a power shortage,
- (v) the cancellation of a war contract, or

(5) Where, on an appeal from a finding of a Selective Service Officer under section two hundred and three, the court of referees is of opinion that the employee was not guilty of serious misconduct but that there were good and sufficient grounds for terminating his employment, it may make an order that the employer may, in lieu of reinstating the employee with full pay from the time the application for review was made as required by section two hundred and three, pay the employee six days' wages in lieu of reinstatement; and, where such an order has been made, the employer shall forthwith make such payment to the employee unless he forthwith reinstates the employee with full pay from the time the application for review was made.

(6) An application in writing for a hearing in connection with an appeal under this section may be filed in the local office

- (a) by the appellant when filing the notice of appeal, or
- (b) by any other person affected thereby within three days from the day the notice of appeal is filed,

and the chairman of the court of referees shall thereupon fix a time and place for the hearing, or, if no such application has been made, the chairman may nevertheless direct that there shall be a hearing and fix a time and place therefor; and the Selective Service Officer shall, in every case, notify the appellant and every other person who, in his opinion, is affected by the appeal of the time and place fixed for the hearing.

(7) A court of referees shall not decide an appeal until a reasonable opportunity has been given to every person who, in the opinion of the chairman, is affected thereby to make any representations that he desires the court to consider in making its decision; and in any case where no hearing is held every such person may make representations to the court of referees in writing.

(8) The members of the court of referees to which an appeal is referred shall be chosen in the same manner as in the case of an appeal to a court of referees under The Unemployment Insurance Act, 1940.

- (a) in which he is or may be directly interested,
- (b) in which he is or has been a representative of the appellant or other interested person, or
- (c) in which he has taken any part either as a witness or otherwise.

(10) An appeal may, with the consent of the appellant but not otherwise, be proceeded with in the absence of any member or members of the court other than the chairman.

(11) If the number of members of the court of referees is an even number, the chairman shall have a second or casting vote.

(12) The procedure on a hearing shall be determined by the chairman of the court of referees.

(13) The court of referees to which an appeal is referred shall consider and determine the appeal as soon as possible after receipt of the notice of appeal and its decision thereon shall be final and conclusive save as in this section otherwise provided.

- (14) The court of referees may dismiss an appeal under this section, or
- (a) grant the permit or permission that the Selective Service Officer whose decision is appealed against should have granted,
 - (b) reinstate the permit cancelled by the Selective Service Officer, or
 - (c) rescind any order, direction, ruling, finding, permit or permission made or granted by the Selective Service Officer and make or grant the order, direction, ruling, finding, permit or permission, if any, that the Selective Service Officer whose decision is appealed against should have made,

and a permit or permission granted by it or an order, direction, ruling or finding made by it shall have the same effect as if granted or made by the Selective Service Officer whose decision is appealed against.

(15) The chairman of the court of referees, on new facts being brought to his knowledge, may within thirty days, or such longer period as the Minister may allow, from the day the original decision was made, direct that an appeal shall be reconsidered or reheard as the case may be.

(16) Any person who appears before a court of referees shall do so at his own expense.

(17) The Minister may publish a decision of the court of referees if and as he deems proper.

(18) For the purposes of remuneration, a court of referees functioning under this part shall be deemed to be functioning under The Unemployment Insurance Act, 1940.

P.C. 26/2969

Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 25th April, 1945.

The Board had under consideration a memorandum from the Honourable the Minister of Finance reporting that:

"1. In order to provide for treatment of the Public Service of Canada on a basis comparable to that imposed on private employers under the terms of the Wartime Salaries Order (Order in Council of February 27, 1942, P.C. 1549) annual increases in compensation referred to in Section 14 of the Civil Service Act and similar increases to employees not subject to that statute were restricted to employees with total compensation of less than \$3,000 per annum by Order in Council of January 26, 1942, P.C. 9/628, which became effective on January 1, 1942; and

2. The Wartime Salaries Order having been amended by Order in Council of December 21, 1944, P.C. 9505, to provide inter alia that the Minister of National Revenue may authorize an employer to increase the rate of salary paid to a salaried official up to a rate not exceeding the maximum rate for the position occupied by the said salaried official or for that class of position, it is desirable and expedient to extend to the Public Service of Canada the same privileges in connection with increases in salary within the established class range:

The undersigned therefore has the honour to recommend that, under and by virtue of the powers conferred by the War Measures Act, your Excellency in Council direct that effective on and after January 1, 1945:

1. Annual increases in compensation referred to in Section 14 of the Civil Service Act and similar increases to employees not subject to that statute be paid to permanent

If such partial increase was granted on or prior to January 1, 1944, he shall receive one full annual increase, in addition to the partial increase provided by this section, at January 1, 1945.
- (c) The employee who on or after January 1, 1942, and prior to January 1, 1945 has been promoted, reclassified or reassigned to a position in a classification for which the minimum rate of the salary range is \$3,000 or a higher amount shall be eligible to receive the first annual increase in the classification to which he has been promoted, reclassified or reassigned on the quarterly date next succeeding the completion of one year of service in such classification or at January 1, 1945, whichever is the later date.
- (d) The existing annual increase regulations as laid down by the Civil Service Act and by Order in Council shall apply mutatis mutandis to annual increases which may be granted pursuant to the terms of this Order.

2. The benefits conferred by Order in Council of July 15, 1943, P.C. 25/5610 authorizing establishment of salary for the purposes of calculating the amount of allowance payable under Section 6 of the Civil Service Superannuation Act on the basis of annual increases authorized but not paid, shall continue in effect.

3. Order in Council of January 26, 1942, P.C. 9/628, is hereby revoked."

Order in Council providing tariff treatment, exemption from war exchange and special excise taxes, etc., for staves and heading of wood

P.C. 3037

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 26th day of April, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports,—

That imports of staves of oak, sawn, split or cut, not further manufactured than listed or jointed are exempt from customs duty regardless of the country of origin, but if they are planed they are dutiable under the Canada-United States Trade Agreement at the rate of 20 per cent ad valorem;

That imports of staves of wood, other than oak, not less than five-eighths of an inch in thickness further manufactured than sawn or split but not further manufactured than listed are dutiable at the rate of 10 per cent under the British Preferential Tariff, 12 1/2 per cent under the Intermediate Tariff and 15 per cent under the General Tariff, but if they are further manufactured they are dutiable under the Canada-United States Trade Agreement at the rate of 20 per cent ad valorem;

That imports of lumber, not further manufactured than sawn or split are exempt from customs duty regardless of the country of origin;

That lumber for the manufacture of tight cooperage is in short supply in both Canada and the United States and the material that has been available during recent years in the United States for export to Canada consists mainly of planed staves and circled heading which is dutiable at the Canada-United States Trade Agreement rate of 20 per cent;

That in addition to the customs duty the war exchange tax of 10 per cent ad valorem also applies to imports of staves and heading of wood, finished or unfinished when imported from the United States or any other non-British Empire country; and

That if the duty and war exchange tax, where applicable, on imports of staves and heading of wood, finished or unfinished, for use in the manufacture of tight barrels and kegs were removed, it probably would not be necessary to subsidize the production of these goods.

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered

1. That imports of staves and heading as described below be accorded the tariff treatment hereunder indicated during the period April 1, 1945 to March 31, 1946:

Staves and heading of wood, finished or unfinished, for use in the manufacture of tight barrels or kegs.....

Order in Council authorizing payment of bonus to wool growers in British Columbia, 1943 and 1944 clips

P.C. 1/3166

Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council on the 2nd May 1945.

The Board had under consideration a memorandum from the Honourable the Minister of Agriculture reporting:

That under authority of Order in Council dated 29th March, 1943, P.C. 1/2519, and Order in Council 2/1000, 18th February, 1944, the Agricultural Supplies Board was authorized to pay 'to the Governments of those provinces co-operating with the Dominion in the payment of a bonus on wool an amount not exceeding one-half of the expenditure incurred by such Provincial Government for such purpose' for the 1943 and 1944 wool clip respectively;

That the Government of British Columbia, while not agreeing to co-operate with the Dominion Government in paying the bonus in its entirety and being refunded one-half of such payment by the Agricultural Supplies Board, has paid to the wool growers of British Columbia a grant at the rate of two cents a pound for clean wool in respect of the 1943 wool clip, and may pay at a later date, a similar grant in respect of the 1944 wool clip;

That the basis of the grant paid by the Government of British Columbia is within the rules and regulations of the aforementioned Orders in Council, except with respect to the payment of the full bonus, half of which would have been refunded by the Dominion Government.

That unless provision is made by the Dominion Government for the payment of a similar amount, the wool growers in British Columbia will be deprived of the Dominion Government bonus as provided in Orders in Council referred to in Paragraph One above.

That it is deemed desirable, therefore, that the Dominion Government should pay to the wool growers in British Columbia a bonus at the rate of two cents a pound

for clean wool of the 1943 wool clip, and a bonus at the same rate (but not exceeding two cents a pound) as any grant which may be paid by the Government of British Columbia to wool growers in respect of the 1944 wool clip;

That the estimated total cost of such bonuses for both years will not exceed \$15,000.00

The undersigned, therefore, recommends on the report of the Agricultural Supplies Board that Your Excellency in Council, under authority of the War Measures Act, do authorize the Agricultural Supplies Board:

- (1) to pay to the wool growers in British Columbia either direct or through the British Columbia Sheep Breeders' Association, Kamloops, B.C., a bonus of two cents a pound in respect of wool of the 1943 clip originating in British Columbia, which meets the required standards as to cleanliness, et cetera, as established in the aforementioned Orders in Council;
- (2) to pay to the wool growers in British Columbia either direct or through the British Columbia Sheep Breeders' Association, Kamloops, B.C., a bonus at the same rate (but not exceeding two cents a pound) as any grant which may be paid by the Government of British Columbia in respect of the 1944 wool clip, which meets the required standards as to cleanliness, et cetera, as established in the aforementioned Orders in Council.

The undersigned further recommends that a sum not in excess of \$15,000.00 be allotted to the Department of Agriculture for the use of the Agricultural Supplies Board for the above purposes, and that the money be chargeable to the War Appropriation, and be released immediately."

The Board, having approved the estimate of expenditure and allotment of funds chargeable to the War Appropriation for the fiscal year 1945-46, concur in the above report and recommendation, and submit the same for favourable consideration.

A. D. P. HEENEY,
Clerk of the Privy Council.

Merchant Seamen Special Bonus Order

P.C. 3227

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 3rd day of May, 1945

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Transport represents,—

That the Merchant Marine on which our sea borne commerce depends is, under present conditions, virtually an arm of our fighting services, and that the provision of merchant seamen, their training, care and protection, is essential to the proper conduct of the war and vitally necessary to the keeping open of the sea lanes, on which the successful outcome of the present conflict so largely depends;

That Canada now operates a foreign going merchant fleet of nearly 180 ships, requiring approximately 12,000 skilled seamen of all ranks;

That Merchant Seamen, are nevertheless employed in a civilian capacity and receive remuneration determined by competitive conditions and in accordance with regulations generally applicable to civilian employment;

That with these important factors in view it has been found necessary during the progress of the war to make appropriate provisions for the enrolment and protection of Merchant Seamen;

That pursuant to the provisions of Order in Council P.C. 14/3550 of May 19th, 1941, Merchant Seamen Manning Pools were erected and placed in operation in Halifax, Montreal, Saint John and Vancouver, members of which pools receive basic pay and subsistence whilst awaiting assignment;

That Training Schools were established at Hubbards, Nova Scotia, and Prescott, Ontario, to prepare new seamen to enter the profession;

That in order to be assured of an adequate and constant supply of qualified seamen to man the Canadian Merchant fleet the following additional advantages have been made available to those Merchant Seamen who agree to serve continuously by signing a Manning Pool Agreement to serve for two years or the duration of the war whichever is the lesser;—

1. A War Service Bonus of 10% of the total earnings at the end of each 12 months of actual service.
2. Two days per month cumulative leave on pay at the end of each year.
3. Round trip rail transportation between a Manning Pool and a Seaman's home at the low cost of one third of the one-way fare.
4. Basic pay for maximum of 12 weeks if incapacitated for sickness or injury.

That the Government of Canada extends protection to Merchant Seamen and their dependents in the event of disability or death by enemy action or counter action by the provision of pensions on a scale equivalent to the Royal Canadian Navy, and provides compensation for loss of effects as well as the continuation of wages of seamen held by the enemy;

That Merchant Seamen are entitled to reinstatement in employment by the provisions of The Reinstatement in Civil Employment Act, 1942;

That the benefits of the Veterans' Land Act and the Vocational and Technical Training program established for discharged members of the Forces have been made available to pensioners to assist them in re-establishing themselves in a new occupation;

That Merchant Seamen pensioners are entitled, at public expense, to hospitalization and treatment of a pensionable disability, including hospital allowances during such treatment, and also to the benefits of the Veterans' Insurance Act;

That provision has been made for hospitalization and treatment, at public expense, of a non-pensionable disability incurred in service at sea, such hospitalization and treatment to extend for a period of eighteen months if commenced within twelve months of termination of service; and

That, while it is not considered justifiable, having regard to the terms of employment and remuneration of Merchant Seamen, to make available to them benefits on the scale provided members of the Naval, Military and Air Forces, it is deemed advisable and equitable, in consideration of the essential services rendered by them, involving hardships and risks in many respects comparable to those met with by members of the Forces, to offer certain additional benefits to those who have served in dangerous waters and are prepared to serve for the duration of the war, if required;

Now, Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Transport, and under the authority of the War Measures Act and notwithstanding anything contained in the Canada Shipping Act, 1934, or any other Act, is pleased to make and doth hereby make the attached Order to be known as the "Merchant Seamen Special Bonus Order".

A. D. P. HEENEY,

Clerk of the Privy Council.

A combination of special circumstances relating to the sale of some goods at retail in some sections of Canada makes it desirable that provision be made for administrative direction of sellers of those goods in those sections.

Therefore, under powers conferred by the Wartime Prices and Trade Regulations, Order in Council P.C. 8528 of November 1, 1941, as amended, the Board hereby orders as follows:

1. This Order shall come into force on May 9, 1945, and shall only apply to such areas as are designated from time to time by the Board by notice published in *Canadian War Orders and Regulations*.
2. For the purposes of this Order,
 - (a) "Administrator" means the Administrator or a Deputy Administrator of Distributive Trades appointed by the Board;
 - (b) "retailer" means any person who sells at retail any specified goods in any area to which this Order applies;
 - (c) "specified goods" means any of the goods specified in a Direction issued under this Order.

3. (1) The Administrator may from time to time issue to any retailer in any area to which this Order applies a Direction in writing fixing or otherwise specifying the maximum price or maximum markup at which such retailer may sell any specified goods and giving such further directions regarding maximum prices as the Administrator deems proper.

(2) The Administrator may issue such a direction to any person outside of any area to which this Order applies who is selling specified goods at retail in or adjacent to such area.

4. No retailer to whom a Direction is issued under this Order shall sell or offer to sell any specified goods contrary in any way to the provisions of such Direction.

5. It shall be a good defence to any alleged contravention of regulation three of these regulations by reason of not carrying three radio operators as required by the said regulation if it is proven that:

- (a) the ship was engaged solely in the coasting trade of Canada and was fitted with an auto-alarm and carried one such operator;
- (b) permission was granted to the ship by the Naval Control Service Officer to carry two such operators only and by agreement made and entered in the ship's Articles, the two operators carried on the ship agreed to keep a continuous watch when the ship is within three hundred miles of the coast of Canada; or that
- (c) the ship was not in the ordinary course at sea more than twelve hours in any twenty-four hour period and carried one such operator who kept a continuous watch while the ship was at sea.

6 Subject to the provisions of these regulations, no cargo ship over one hundred tons gross tonnage and less than sixteen hundred tons gross tonnage and no passenger ship less than sixteen hundred tons gross tonnage whether such cargo ship or passenger ship is registered in Canada or not, shall, if not fitted with a radio-telegraph installation, ply in Canadian waters unless it is equipped with a radio-telephone installation of a type approved by the Minister and unless a continuous watch is maintained thereon.

Order in Council *re* settlement of claims against the Crown for damages, etc.

P.C. 38/3453

Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 16th day of May, 1945.

The Board had under consideration a memorandum from the Honourable the Minister of National Defence, concurred in by the Honourable the Minister of Justice, the Honourable the Minister of National Defence for Air and the Honourable the Minister of National Defence for Naval Services, reporting that:—

- (a) Order in Council P.C. 80/1045, dated 19th March, 1940, authorizes the procedure to be adopted in regard to the settlement of all claims against the Crown arising out of any death or injury to the person or to property resulting from the alleged negligence of any officer or servant of the Crown while acting within the scope of his duties or employment, and provides for reimbursement to the Crown by the negligent officer or servant concerned;
- (b) Order in Council P.C. 59/7305, dated 17th September, 1941, as amended by Order in Council P.C. 59/6395, dated 13th August, 1943, authorizes the procedure to be adopted in the settling of all claims against the Crown arising out of any death or injury to the person or to property resulting from the alleged negligence of any officer or servant of the Crown in the maintenance or operation of a motor vehicle while acting in Canada within the scope of his duties or employment as an officer or member of the naval, military or air forces of Canada or as an employee of the Department of National Defence when the combined amount of all claims arising therefrom does not exceed two hundred dollars (\$200.00) and provides for reimbursement to the Crown and further provides for the stoppage of pay of members of the armed forces in respect to such reimbursement;
- (c) The scale of reimbursement as provided by said Order in Council P.C. 80/1045 is deemed excessive insofar as members of the armed forces are concerned;
- (d) The said Order in Council P.C. 80/1045 does not provide for stoppages of pay from members of the armed forces, and the Deputy Minister of Justice has advised that the provisions for the stoppages of pay as authorized in said Order in Council P.C. 59/7305 does not extend to claims dealt with pursuant to Order in Council P.C. 80/1045;
- (e) It is therefore deemed expedient where claims relating to the Department of National Defence are involved to provide:
 - (i) for the investigation of all motor vehicle claims in the same manner as provided in Order in Council P.C. 59/7305;
 - (ii) in the cases where the amount to be recovered from the members of the armed forces, when the negligence is not of a minor character, is regarded by the Minister as excessive that representation be made to the Treasury Board to reduce the normal demand to an amount considered reasonable;
 - (iii) that all members of the armed forces be placed under stoppages of pay as now provided for by Order in Council P.C. 59/7305 in connection with accidents involving claims over two hundred dollars (\$200.00).

2. The Deputy Minister concurs in the foregoing proposals and recommends that an appropriate Order be made to give effect thereto.

3. The undersigned, with the concurrence of the Minister of Justice, the Minister of National Defence for Air, and the Minister of National Defence for Naval Services, concurs in the foregoing recommendation and recommends that under and by virtue of the War Measures Act, Your Excellency in Council be pleased to order as follows:—

Notwithstanding the provisions of Order in Council P.C. 80/1045 dated 19th March, 1940, in any case of a claim against the Crown arising out of any death or injury to the person or to property resulting from the alleged negligence of any officer or servant of the Crown in the maintenance or operation of a motor vehicle while acting in Canada within the scope of his duties or employment as an officer or member of the naval, military or air forces of Canada,

- (i) the procedure for the investigation of all such claims as provided in Order in Council P.C. 59/7305 dated 17th September, 1941, as amended, shall apply;
- (ii) in all claims dealt with pursuant to said Order in Council P.C. 80/1045 where the amount required to be recovered from the member of the naval, military or air forces of Canada, when the negligence is not of a minor character, is regarded by the Minister as excessive the Minister shall request the Treasury Board to reduce the normal demand to an amount considered reasonable;

(iii) in all cases where pursuant to the provisions of Order in Council P.C. 80/1045, the Deputy Minister of Justice has expressed the opinion that there is a legal liability on the Crown to pay the claim in an amount exceeding two hundred dollars (\$200.00) and the negligence of the member of the naval, military or air forces of Canada is not of a minor character and reimbursement should be made by such member of the naval, military or air forces of Canada after the claim has been paid in whole or in part the Deputy Minister shall direct that a demand for reimbursement be made upon such member of the naval, military or air forces of Canada. Such demand shall call upon such member of the naval, military or air forces of Canada to show cause within seven (7) days after receipt by him of such demand why he should not be put under stoppages of pay to reimburse the Crown. If within the aforesaid period of seven (7) days such member of the naval, military or air forces of Canada fails to show cause as aforesaid, or if purporting to show cause the reasons which he has advanced are not considered by the Deputy Minister to be adequate or if after further investigation the Deputy Minister does not consider that satisfactory cause has been shown he may—

- (a) make such Order as to him seems just for the stoppage of all or any part of the pay of any member of the naval, military or air forces of Canada upon whom a demand for reimbursement has been served for the purpose of paying the amount set out in such demand, or such other amount not exceeding the amount for which demand has been made as the Treasury Board shall determine;
 - (b) order that the amount of the loss incurred by the Crown or such less amount as may be determined be demanded from a member of the naval, military or air forces of Canada who has left the service and take such action as the Deputy Minister of Justice may advise for the collection of the said amount.
- (iv) In this Order, unless the context otherwise requires:
- (a) "Minister" means—
 - (i) in any matter that affects or relates to the military forces of Canada, the Minister of National Defence;
 - (ii) in any matter that affects or relates to the air forces of Canada, the Minister of National Defence for Air;
 - (iii) in any matter that affects or relates to the naval forces of Canada, the Minister of National Defence for Naval Services.
 - (b) "Deputy Minister" means—
 - (i) in any matter that affects or relates to the military forces of Canada, the Deputy Minister of National Defence;
 - (ii) in any matter that affects or relates to the air forces of Canada, the Deputy Minister of National Defence for Air;
 - (iii) in any matter that affects or relates to the naval forces of Canada, the Deputy Minister of National Defence for Naval Services.

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

A. D. P. HEENEY,
Clerk of the Privy Council.

Controlling the Production and Sale of Canned Meat

It is necessary to prohibit the sale of canned meat in Canada except to certain priority users and in some remote areas in order to obtain a maximum quantity of meat for the United Nations and the peoples of the liberated countries of Europe where, because of the disruption of transportation and lack of refrigeration facilities, it is only feasible to distribute meat in canned form.

The Administrator, at his discretion, and having regard to the kinds of materials involved, may authorize such change in production provided no greater weight of materials is required than would be needed to produce items in conformity with the provisions of Section 4.

6. No importer shall sell in Canada during the 1946 quota period a greater number of units of imported farm machinery and equipment of any kind listed in the Schedule relative to exports to Canada contained in United States Order L-257-a for the 1946 quota period than the number of units obtained by applying the applicable percentage shown in the said Schedule of Order L-257-a for the 1946 quota period to one-half of his imports by units of such items during the years 1940 and 1941.

7. Wherever Schedule "A" of this Order or the Schedule of United States Order L-257-a for the 1946 quota period relative to exports to Canada, refers to a number of units to be allotted, the Administrator will allot that number among producers or importers as the case may be, and no producer shall manufacture and no importer shall sell any number in excess of the number allotted to him by the Administrator.

8. Except with the written permission of the Administrator, each producer and importer shall distribute all items of farm machinery and equipment for which quotas have been fixed by this Order to each province of Canada in proportion to his average sales of such items in each province during the years 1940, 1941 and 1942.

9. Except with the written permission of the Administrator, no producer shall manufacture and no importer shall sell during the 1946 quota period any farm machinery and equipment requiring rubber tires.

10. Any producer or importer who has not completed by June 30, 1945, any quota allowed to him under Administrator's Order No. A-1162 for the 1945 quota period, may apply to the Administrator for permission to complete such quota after June 30, 1945. Upon any such application, satisfactory evidence must be submitted that, through no fault of his own he was unable to complete his quota by June 30, 1945. In the case of a producer it must also be shown that all materials to complete such quota are in his possession and in process of manufacture.

11. Any item of farm machinery and equipment which has been manufactured or sold in Canada by any producer or importer during the 1945 quota period in excess of such producer's authorized quota for that period shall be deducted from the quota authorized for the 1946 quota period notwithstanding any penalty to which such producer or importer may be liable for exceeding his quota.

12. Any producer who is unable to manufacture and any importer who is unable to obtain from his supplier for the 1946 quota period his full quota of any kind of farm machinery and equipment as fixed by this Order shall immediately notify the Administrator who may transfer the uncompleted portion of his quota to another producer or importer.

13. The restrictions of this Order shall not apply to the manufacture or sale by any person of any of the following items of farm machinery and equipment:—

Bee Hives	Livestock Feeders
Grit Boxes	Milk Stools
Hog Troughs	Poultry Feeders
Laying Nests	Poultry Waterers

provided, however, that such items are made entirely (except for nails and essential strappings and fastenings) from any one or more of the following materials:

Glass or other Ceramic Products	Plain Concrete

Softwood Lumber	

*Restriction of Production and Sales for Canadian Use—
Attachments and Repair Parts*

14. The maximum total weight of material which a producer may use during the 1946 quota period in manufacturing attachments for sale in Canada shall be the total weight of material used by him in the manufacture of attachments for sale in Canada during the 1945 quota period.

15. Producers may manufacture repair parts for sale in Canada without restriction.

16. The maximum total weight of attachments which any importer may sell in Canada during the 1946 quota period shall be the total weight of attachments imported by him during the 1945 quota period.

17. Importers may sell imported repair parts in Canada without restriction.

18. Any producer of any of the following items listed in Schedule "A" hereto:

Litter Carriers	Hay Carriers
Track for Litter Carrier	Track for Hay Carriers
Stable Stalls and Fittings	Stable Stanchions and Fittings.

may consider not more than 30 per cent of half of the total weight of each such item sold by him in the years 1940 and 1941 as "repair parts" rather than "farm machinery and equipment" and shall so report such items on such forms as are required to be filed under Section 26 hereof. His production quota for the remaining 70% shall be determined by multiplying his applicable Schedule "A" percentage for the particular item by 70% of one-half of the total weight of each such item sold by him in the years 1940 and 1941.

Restriction of Production for Export

19. (1) No producer shall during the 1946 quota period manufacture in Canada for shipment to the United States of America

(a) a greater number of units of any kind of farm machinery and equipment listed in the Schedule to United States Order L-257 for the 1946 quota period than the number of units resulting from applying the percentage set out opposite the kind of farm machinery and equipment in the said Schedule to the number of units shipped by him to the United States of America during the year 1940 or the year 1941 whichever is the greater;

(b) a quantity by weight of attachments in excess of the weight of attachments shipped by him to the United States during the 1945 quota period;

(2) Producers may manufacture repair parts for shipment to the United States without restriction.

(3) Notwithstanding subsection (1) of this Section any producer who wishes to produce for shipment to the United States a greater number of one item listed in said Schedule and a lesser number of some other item may apply to the Administrator to effect such change in his production. The Administrator, at his discretion, and having regard to the kinds of materials involved, may authorize such change in production provided no greater weight of materials is required than would be needed to produce items in conformity with the provisions of clause (a) of subsection (1) of this Section.

20. The quantities of farm machinery and equipment attachments and repair parts which a producer may manufacture in Canada during the 1946 quota period for shipment to liberated countries of Europe and for the United Nations Relief and Rehabilitation Administration shall be fixed by the Administrator.

21. The maximum weight of farm machinery and equipment and attachments which a producer may manufacture in Canada during the 1946 quota period for shipment other than for the United Nations Relief and Rehabilitation Administration and to all countries other than the United States of America and liberated countries of Europe shall be one-half of the weight of farm machinery and equipment and attachments shipped by him to said countries during the years 1940 and 1941.

22. Producers may manufacture repair parts without restriction for shipment other than for the United Nations Relief and Rehabilitation Administration and to all countries other than the United States of America, and liberated countries of Europe.

23. Nothing in Sections 20, 21 and 22 preceding shall be construed as authorizing any exportation without the approval of the Department of Trade and Commerce if such approval is required by the Export Permit Regulations.

24. Any producer who has not completed by June 30, 1945, his quotas for the 1945 quota period for export to any of the countries named in Schedules "B", "C", "D", "E" and "F" of Administrator's Order No. A-1162 as fixed by said Order, may apply to the Administrator for permission to complete such quotas. Upon any such application satisfactory evidence must be submitted that, through no fault of his own, he was unable to complete his quotas by June 30, that prior to June 30 he had received approved export permits for the shipment of the farm machinery and equipment, attachments and repair parts included in his quotas and that all materials required to complete such quotas are in his possession and in process of manufacture.

Records, Audit and Inspection

25. Every person affected by this Order shall keep and preserve accurate records of his inventories, stocks, purchases, production and sales of farm machinery and equipment, attachments and repair parts and such records shall, upon request, be submitted for inspection and audit to the Wartime Prices and Trade Board or its duly authorized representatives.

- (a) farm machinery and equipment, by units, produced by him for use in Canada;
- (b) attachments and repair parts, by weight and dollar value, produced by him for use in Canada.

27. Every importer shall file with the Administrator not later than December 31, 1946, a sworn statement of his sales for the 1946 quota period, which statement shall show,

Pursuant to the powers conferred by Order in Council P.C. 1169 of February 20, 1941, and any other Order in Council or Statute,

IT IS HEREBY ORDERED AS FOLLOWS:

1. *Purpose of Order*

Order No. P.152 of the United States War Production Board, dated April 6, 1945, allows the use of certain ratings to get flat metal strapping. The purpose of this Order is to enable Canadian users and distributors to obtain their supplies from the United States.

2. *Definitions*

For the purposes of this Order, unless the context otherwise requires

- (a) "Strapping" means any flat band made of metal, (whether plain, punched, embossed, or double edge) which is used in connection with the shipment or delivery of materials. The term includes reinforcement edging for returnable delivery cases (bottle box), and metal seals for flat strapping, but does not include any round wire made of metal.
- (b) "Carloading" means the use of strapping to secure or brace packaged or loose material in or on vehicles.

- (c) "Skidloading" means the use of strapping to secure materials, packaged or otherwise, to skid or pallets.
- (d) "Baling" means the use of strapping to secure or hold compressed materials in bales.
- (e) "Bundling" means the strapping together of loose or packaged materials (generally not compressed) into bundles or lifts, and the internal bracing of materials in containers.
- (f) "Container reinforcement" means the external strapping of single containers of merchandise to reinforce and protect the package and its contents against damage in transit or to permit the use of less wood or paperboard in the component parts of boxes, crates and cartons.
- (g) "Distributor" means any person who buys flat metal strapping for resale.
- (h) "Rating" means any preference rating, allocation, allotment, or other authorization established, granted or assigned by the War Production Board of the United States of America.

3. *Use of Ratings Prohibited Except as Authorized by Order*

(1) Except as authorized by this Order, or by the specific written authority of the Priorities Officer, no person shall use or purport to use or represent that he has the right to use a rating to get strapping.

(2) The ratings and certifications specified in this Order must not be used on purchase order for flat metal strapping placed with a Canadian manufacturer.

4. *Ratings Assigned for the Armed Services*

The Canadian Army and Air Force, Canadian Navy, Wartime Shipbuilding Limited, the Controller of Ship Repairs and Salvage, and the Department of Munitions and Supply when purchasing for the account of any of these agencies, may apply for ratings on form WPB-541 for strapping for delivery directly to them and for use directly by them. Applications should be filed with the Priorities Branch, Department of Munitions and Supply.

5. *Ratings Assigned for Carloading, Skidloading, Baling and Bundling*

Any person may use a rating of AA-1 to get strapping for his own use for carloading, skidloading, baling and bundling; Provided that every person who places a purchase order for strapping for this purpose shall certify thereon over his signature as follows:

"All the strapping covered by this purchase order is for use for carloading, skidloading, baling or bundling as defined in Order P.O. 7 of the Priorities Officer."

6. *Rating Assigned for Container Reinforcement*

(1) *Common Carriers*

Any person engaged in the business of transporting the goods of others for hire or reward without discrimination may use a rating of AA-1 to get strapping for his own use in such business.

(2) *Persons who have received authorization on Form P.B. 1005*

A person, to whom preference ratings have been assigned on Form P.B. 1005, may use such ratings to get strapping for his own use for container reinforcement or to replace strapping he has taken out of his inventory for that purpose; Provided that:

- (a) the ratings must not be used unless the purchase order calls for the delivery of the strapping during the same calendar quarter as that for which authority has been given on Form P.B. 1005 to import the production materials.
- (b) Where two or more ratings (i.e. split ratings) have been assigned for production materials he must use them in the same proportion in ordering strapping.

(3) *Suppliers*

Any supplier of any of the materials listed in Schedule "A" to this Order may use the rating shown in the said Schedule opposite the material to get strapping for his own use.

7. Ratings Assigned for Reinforcement Edging

Any person may use a rating of AA-5 to get strapping for his own use for the reinforcement-edging of containers (generally multiple trip returnable containers). No other rating shall be used to get strapping for this purpose.

8. Applications for Special Ratings

(1) Ratings to get strapping, other than those assigned by this Order, may be applied for only by filing Form W.P.B. 4161 with the nearest office of the Priorities Branch.

(2) Every person, whose application for a special rating is approved, must show on each of the purchase orders for strapping on which he places the rating, the case number of the approved application, as follows: "W.P.B.-4161-Case No....".

"The undersigned purchaser certifies, subject to the penalties of Section 15 of the Canadian Wartime Industries Control Board Regulations, to the seller, to the Canadian Priorities Officer, and to the War Production Board, that, to the best of his knowledge and belief, the undersigned is authorized under applicable Canadian Orders to place this delivery order, to receive the item(s) ordered for the purpose for which ordered, and to use any preference rating or allotment number or symbol which the undersigned has placed on this order."

10. Distributors

Any distributor who receives a purchase order for strapping showing the information and certifications required by this Order may extend the rating shown thereon to another Canadian distributor or to a United States supplier, either to get the particular strapping ordered or to replace any strapping he has supplied from his inventory to the purchaser for the purpose for which it was ordered.

11. Existing Unfilled Orders

(1) The provisions of this Order, shall apply to any purchase order for strapping placed on or after April 6, 1945.

(2) Ratings assigned or permitted to be used by this Order may be applied or extended to any unfilled purchase order for strapping, placed prior to April 6, 1945.

(3) All ratings applied or extended to any order for strapping before April 6, 1945, shall be ineffective after May 21, 1945. If delivery is not made before the last mentioned date and the order is not rerated in accordance with this Order, the purchase order shall be regarded as bearing an AA-5 rating.

12. Inventory Limitation

(1) No person, except a distributor, shall accept delivery of any quantity of strapping if such person's total inventory is, or will by virtue of such delivery become, in excess of the greater of,

(a) \$450.00 in laid down cost of the strapping; or

(2) No person shall deliver any strapping to any other person, except a distributor, if he knows that such other person's inventory is, or will by virtue of such delivery become, in excess of the greater of the two limitations prescribed by subsection (1) of this Section.

(3) The inventory limitation imposed by this Section shall not apply to the Canadian Army and Air Force, and the Canadian Navy.

Priorities Officer.

PART I
Orders in Council

**Order in Council setting out purposes for which the Canadian
Wheat Board shall make available wheat held for the
account of His Majesty**

P.C. 3135

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 17th day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas that section 4 of the order made by Order in Council P.C. 1116 of the 20th day of February, 1945, provides:—

“4. The Board shall make available wheat held by it for the account of His Majesty pursuant to this Order at prices fixed from time to time by the Governor in Council to fill the requirements of the United Kingdom of Great Britain for wheat and wheat flour and to provide wheat and wheat flour transferred under the War Appropriations (United Nations Mutual Aid) Act and paid for out of the Mutual Aid appropriation, and to meet any other obligations which the Dominion of Canada may undertake for the provision of wheat and wheat flour for countries other than Canada at the expense of the Government of Canada.”

And whereas the Acting Minister of Trade and Commerce reports that it is necessary, by reason of the War, for the peace, order and welfare of Canada, that The Canadian Wheat Board be empowered to make wheat held by it for the account of His Majesty available to fill the requirements of the United Kingdom of Great Britain for the products of wheat and wheat flour; to provide the said products transferred under the War Appropriation (United Nations Mutual Aid) Act; to fill the requirements of distillers in Canada for the said products used in the manufacture of alcohol for export; to provide wheat or wheat flour products for export to firms or organizations designated by the Board and to meet any obligations which the Dominion of Canada may undertake for the provision of such products for other countries.

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Trade and Commerce and under and by virtue of the powers conferred by the War Measures Act, is pleased to amend the order made by Order in Council P.C. 1116, aforesaid, and it is hereby amended by revoking section 4 thereof and substituting therefor the following, effective on and after February 20, 1945:—

“4. (1) The Board shall make available wheat held by it for the account of His Majesty pursuant to this Order at prices fixed from time to time by the Governor General in Council

- (a) to fill the requirements of the United Kingdom of Great Britain for wheat, wheat flour and the products of wheat or wheat flour;

- (d) to provide wheat products or wheat flour products for export to firms or organizations as may be specifically designated by the Board;
- (e) to meet any other obligation which the Dominion of Canada may undertake for the provision of wheat or wheat flour or the said products for countries other than Canada at the expense of the Government of Canada."

(2) The Board shall not make available wheat held by it for the account of His Majesty pursuant to this Order for any purposes other than those referred to in this section.

Clerk of the Privy Council.

Order in Council amending The Unemployment Insurance Act, 1940

P.C. 3589

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 17th day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Labour is advised by the Unemployment Insurance Advisory Committee and the Unemployment Insurance Commission that it is, by reason of the war, necessary for the security, defence, peace, order and welfare of Canada to amend section eighty-six of the Unemployment Insurance Act, 1940, as hereinafter set forth;

"(3) Where the provisions of Part II of this Act are extended to employment in lumbering and logging by the Governor in Council under this section,

 - (iii) create a scheme to supplement, or to be substituted for, Part II of this Act in relation to employment in lumbering and logging,
- (4) The Commission may, in respect of any area, from time to time as it is deemed advisable prescribe days for the purposes of paragraph (a) or (b) of subsection three of this section."

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council re refunding by Alberta Province of outstanding securities

P.C. 3596

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 17th day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Acting Minister of Finance reports,—

1. That the Government of Alberta recently discussed with the Minister of Finance a proposal to effect a refunding of outstanding securities of or guaranteed by the Province;

2. That the co-operation of the Dominion Government was requested to enable the said refunding to take place, this co-operation to take the form of a revision of the Dominion-Provincial Taxation Agreement signed by the Province and the Dominion on March 30, 1942, which revision would entitle the Province to certain additional payments;

3. That on March 3, 1945, the Minister of Finance advised the Premier of Alberta that the Dominion would be willing to co-operate with the Province and assist in the said refunding on certain conditions, namely, that the Province should recognize its liability for the full amount of the unpaid interest on its outstanding bonds, that the Province should recognize the liability for the higher rates of interest on certain of its outstanding bonds to their maturity or callable date and that an understanding

would be reached that the Dominion would have to take steps to ensure that the benefits of the refunding plan should accrue to those for whom it was intended rather than to speculative purchasers;

4. That the Minister of Finance accordingly advised the Premier of Alberta that if any arrangements involving Dominion co-operation were accepted by the Province the Minister would recommend the imposition of a tax of one hundred per cent on the profits made by any one who purchased after January 31, 1945, any Alberta bonds affected by the refunding operation;

5. That on May 14, 1945, the Government of Alberta advised the Dominion Government that the Province was prepared to offer a refunding plan which fulfilled the requirements of Dominion co-operation as hereinbefore referred to and that there was every reason to believe that the plan would be acceptable to the bondholders;

6. That it is now deemed advisable as an integral part of the program of assuring the success of the refunding plan and thus restoring the credit of the Province of Alberta and thereby improving the credit of all governments in Canada, to assure that the benefits of the refunding plan shall accrue to the original purchasers of the securities affected by the refunding operation or to those who purchased them before the discussions of the refunding plan were commenced with the Dominion Government rather than to recent speculative purchasers by prohibiting sales of the said securities to purchasers outside the jurisdiction of Canada.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Finance and under and by virtue of the War Measures Act, is pleased to order and it is hereby ordered as follows:

1. If he produces goods which are not identical in every respect (including trade description) with goods for which his maximum price has been established, he must make an application to have his maximum price therefor fixed under the provisions of Order No. 414 of the Board.

THE PRIORITIES OFFICER

Order No. P.O. 8

(Automatic United States Priorities Assistance for Small Manufacturers)

Dated May 16, 1945

Pursuant to the powers conferred by Order in Council P.C. 1169 of February 20, 1941 and any other Order in Council or Statute,

IT IS HEREBY ORDERED AS FOLLOWS:

1. The purpose of this Order is to establish automatic procedures for manufacturers requiring priorities assistance to get relatively small amounts of production materials to be imported from the United States during the first few months after Victory in Europe.

The Order applies to veterans and other persons starting new businesses as well as to those already in business.

A manufacturer who qualifies under subsection (1) of Section 3 of this Order need no longer apply to the Priorities Officer for a rating or allotment to purchase production materials up to the limit authorized by the said subsection. These automatic procedures do not relieve any person from the necessity of complying with any Regulation or Order restricting inventories, production or the purchase or use of materials in Canada.

Persons entitled to use these procedures should take note of any lifting of such restrictions which may be made and in particular to the amendments to the Steel Controller's Order No. S.C. 28 and the Metal Controller's Order No. M.C. 44D made concurrently with this Order, the effect of which is that purchase orders for aluminum, and for steel in any of the forms covered by Order S.C. 28, to be obtained from the United States under this Order need no longer be referred to such Controllers for their approval.

2. Definitions

For the purposes of this Order,

"production materials" means any material or product (including steel, copper, aluminum, fabricated parts and sub-assemblies) which will be physically incorporated into a product. The term includes the portion of such material nor-

mally consumed or converted into scrap in the course of processing. It also includes items purchased by a manufacturer for resale to round out his line if such items do not represent more than 10 per cent of his total sales.

3. Procedure

(1) *Purchase Orders for Production Materials Placed by Qualified Manufacturers.*

Subject to the provisions of Subsection (3) of this Section, any manufacturer who will not use any more production materials delivered to him before December 31, 1945 than are sufficient to produce his products at a rate of \$50,000.00 worth (manufacturer's sales price) per calendar quarter, may,

- (a) place the certification set out in subsection (1) of Section 4 of this order on any purchase order for production materials placed by him on a Canadian supplier; or
- (b) place the certification set out in subsection (2) of Section 4 of this Order on any purchase order for production materials placed by him on a United States supplier.

(2) *Purchase Orders Placed by Suppliers*

Subject to the provisions of Subsection (3) of this Section, any Canadian supplier who receives a purchase order bearing the certification set out in subsection (1) of Section 4 of this Order, dated and signed manually as required by this Order, may,

- (a) place the same certification on any purchase order placed by him on a Canadian supplier for any of the material required to fill the certified purchase order received by him; or
- (b) place the certification set out in subsection (2) of Section 4 of this Order on any purchase order placed by him on a United States supplier for any of the material required to fill the certified purchase order received by him.

(3) *Delivery*

The certifications set out in Section 4 of this Order must not be used on any purchase order for production materials in the form of steel, copper or aluminum, unless the purchase order calls for delivery of the materials between July 1, 1945 and December 31, 1945, or for any other production materials unless the purchase order calls for the delivery thereof between the date of this Order and December 31, 1945.

4. Certifications

(1) *Certification for use on Orders placed with Canadian Suppliers*

The following certification is for use only by qualified manufacturers and suppliers on purchase orders placed on suppliers within Canada only,

"The Undersigned certifies that he is qualified by Order No. P.O. 8 of the Priorities Officer to use this certification on this purchase order."

The certification need be used only in cases where the Canadian supplier requires priorities assistance for United States materials to

(2) *Certification for use on orders placed with United States Suppliers*

The following certification is for use only by quality manufacturers and suppliers on purchase orders placed on suppliers within the United States only,

"CMP Allotment Symbol Z-3: Preference Rating AA-4. The undersigned purchaser certifies, subject to the penalties of section 15 of the Canadian Wartime Industries Control Board Regulations, to the seller to the Canadian Priorities Officer and to the War Production Board that to the best of his knowledge and belief the undersigned is authorized under applicable Canadian orders to place this Delivery Order, to receive the item(s) ordered for the purpose for which ordered, and to use any preference rating or allotment number or symbol which the undersigned has placed on this order."

(3) *Certification to be Signed and Dated*

Every certification placed on a purchase order must be dated and signed manually by an official duly authorized for the purpose.

5. Use of Other Priorities Assistance

The automatic preference rating procedure provided by this Order does not affect the right of any person to use any other rating or allotment authorized by the Priorities Officer, but the limitation fixed by subsection (1) of Section 3 of this order applies to all production materials no matter how obtained.

6. Persons Prohibited from Using Certifications

The certifications set out in Section 4 of this Order must not be used by any person

- (a) who is engaged in business as a repairman or in a service trade; or
- (b) who is engaged primarily in the distribution of material and products, such as a jobber, wholesaler or retailer, except in so far as he is authorized by this Order to use the certifications to fill certified orders received by him; or
- (c) on any purchase order placed on a retailer; or
- (d) to obtain production materials for a branch, division or subsidiary, unless the production of the entire enterprise qualifies under subsection (1) of Section 3 of this Order.

7. Materials for the Purchase of which Certifications Must Not Be Used

The certifications set out in Section 4 of this Order must not be used,

- (a) on any purchase order for materials required as capital equipment, or maintenance, repair and operating supplies (as defined in Order No. P.O. 5C of the Priorities Officer); or
- (b) on any purchase order for any of the following materials, notwithstanding that they are production materials as defined in this Order,
 - (i) any materials shown in List "A" of Schedule 5 to Order No. P.O. 5C of the Priorities Officer;
 - (ii) Paper and paperboard;
 - (iii) any material shown in items 67 to 80 both inclusive of the List "B" of Schedule 5 to the said Order P.O. 5C; or
- (c) to obtain materials for which a special application is required under any United States War Production Board Regulation or Order,
- (d) in any other case where a United States War Production Board Regulation or Order does not permit the use of ratings assigned in the manner provided in this Order.

W. E. UREN,
Priorities Officer.

DEPARTMENT OF MUNITIONS AND SUPPLY

RUBBER CONTROLLER

Order No. Rubber 4E

(Tires and Tubes)

Dated May 16, 1945

Pursuant to the powers conferred by Order in Council P.C. 9995 of November 3, 1942, and any other Order in Council or statute,

IT IS HEREBY ORDERED AS FOLLOWS:

1. Scope of Order

This Order covers rubber tires and tubes. Tires (both new and used) are strictly rationed and can be obtained only under the authority of a tire ration permit issued under this Order. Tubes are no longer rationed. A tire owner may get his own tires retreaded without restriction, but a tire which has been retreaded is a used tire and cannot be disposed of except as set out in the Order. Scrap tires and scrap tubes (as defined) are not subject to the Order.

2. Definitions

For the purposes of this Order, unless the context otherwise requires:—

- (a) "authorized dealer" means a person, including a manufacturer, a wholesaler, a distributor and a retailer who, in the ordinary course of business, sells tires but shall not include a person who carries on the business of buying and selling scrap rubber or scrap materials of which part is scrap rubber, or an auto wrecker;
- (b) "consumer" means any person who is not an authorized dealer;
- (c) "replenishment permit" means a permit in writing signed by a Tire Rationing Officer authorizing the sale of a tire to an authorized dealer;
- (d) "scrap tire" means a tire which cannot be made safe for operation on a vehicle. "Scrap tube" has a similar meaning;
- (e) "tire" means a pneumatic rubber tire or casing capable of being used on any motor vehicle or horse-drawn vehicle, including a truck, bus, motor cycle, tractor, farm implement, trailer, snowmobile or industrial, mining or construction equipment;
- (f) "tire ration permit" means a permit in writing signed by a Tire Rationing Officer authorizing the sale of the specific tire or tires mentioned therein to a consumer;
- (g) "Tire Rationing Officer" means any person authorized by the Rubber Controller to receive applications for and to issue tire ration permits;
- (h) "Tube" means a rubber tube capable of being used in a tire;
- (i) "Used" as applied to a tire or tube, means a tire or tube which has been used for 1,000 or more miles, and, in the case of a tire, includes a tire which has been retreaded.

3. Eligible Vehicles

An eligible vehicle under this Order is a vehicle operated by the persons and under the conditions set out in Schedules "A" and "B" to this Order. A vehicle in Schedule "A" is eligible for new or used tires. A vehicle in Schedule "B" is eligible for used tires only. A vehicle not in either Schedule is not eligible for any tire. An applicant for a tire ration permit to purchase a tire must establish the eligibility of his vehicle to the satisfaction of the Tire Rationing Officer. These Schedules are subject to change at any time by direction of the Rubber Controller.

4. Prohibitions Applicable to Consumers

(1) A consumer must not buy or get by way of loan, gift or in any other manner any tire, except under the authority of a tire ration permit and in accordance with its terms.

(2) A consumer must not sell or transfer the possession of a new tire to any person.

(3) A consumer must not sell or transfer the possession of a used tire to any person, except an authorized dealer.

(4) A consumer must not buy, or apply for a tire ration permit to buy a new or used tire for an eligible vehicle under Schedule "A" if he owns or controls a vehicle equipped with tires and capable of performing the same service which is not an eligible vehicle or which is an eligible vehicle for used tires only under Schedule "B".

(5) A consumer must not buy, or apply for a tire ration permit to buy, a used tire for an eligible vehicle under Schedule "B" if he owns or controls a vehicle equipped with tires and capable of performing the same service which is not an eligible vehicle.

(6) A consumer must not buy, or apply for a tire ration permit to buy, for an eligible vehicle under Schedule "A" a new or used tire of the same rim diameter and of the same cross section (or of a single or combination size cross section shown as interchangeable on the retail price list published by the manufacturer) as any tire owned by him or under his control, so long as all such tires owned by him or under his control, whether or not they are in use on a vehicle, are sufficient to equip each of his eligible vehicles under Schedule "A" using such tires with a tire for each running wheel plus one for a spare.

(7) A consumer must not buy, or apply for a tire ration permit to buy, for an eligible vehicle under Schedule "B" a used tire of the same rim diameter and of the same cross section (or of a single or combination size cross section shown as interchangeable on the retail price list published by the manufacturer) as any tire owned by him or under his control, so long as all such tires owned by him or under his control, are sufficient to equip each of his eligible vehicles under Schedule "B" using such tires with a tire for each running wheel plus one for a spare.

(8) A consumer must not buy, or apply for a tire ration permit to buy, a tire unless the tire is required for immediate replacement, on the running wheels or spare rim of an eligible vehicle, of a tire of the same rim diameter and of the same cross section (or of a single or combination size cross section shown as interchangeable on the retail price list published by the manufacturer) which cannot be repaired for safe use.

(9) Notwithstanding the previous subsections of this Section, a consumer must not buy or apply for a tire ration permit to buy any tire for use as a spare for a vehicle which was not designed to or ordinarily does not carry a spare.

5. *Tire Ration Permits*

(1) An owner of an eligible vehicle who wishes to obtain a tire ration permit to buy a tire must apply in writing to a Tire Rationing Officer on the prescribed form and, in addition to completing the form, must furnish such further information as may be required. An application for a tire ration permit must be made to the Tire Rationing Officer having jurisdiction over the area where the vehicle is ordinarily stationed, but in cases of emergency or other special circumstances application may be made to any other Tire Rationing Officer.

(2) Before a tire ration permit is applied for, the tire to be replaced must be removed from the rim for inspection, and must be inspected by an authorized dealer.

(3) A consumer must not buy or acquire and an authorized dealer must not sell or supply any tire to a consumer unless,

(a) the tire ration permit authorizing the purchase is fully completed including all certificates thereon; and

(b) the description of the tire in the certificate on the tire ration permit is the same as in paragraph (18) (Certificate of Inspection by Authorized Dealer) of the Application pursuant to which the tire ration permit was issued.

(4) A consumer must not buy or acquire and an authorized dealer must not sell or supply any tire which is not of the same rim diameter and of the same cross section (or of a single or combination size cross section shown as interchangeable on the retail price list published by the manufacturer) as the tire described in the certificate on the tire ration permit.

(5) A consumer must not buy or acquire and an authorized dealer must not sell or supply a tire unless the tire described in the Certificate on the tire ration permit is delivered up to the selling authorized dealer at the time of the sale; provided that the delivery of a tire in exchange is not required,

(a) if the tire is required for a new eligible vehicle which has been bought without a spare; or

(b) if the delivery is dispensed with in writing by a Tire Rationing Officer.

(6) Every consumer must deliver all copies of any tire ration permit he receives to an authorized dealer within 30 days of their receipt.

(7) Every authorized dealer selling a tire pursuant to a tire ration permit must file one fully completed copy of such permit within five days from the sale with the Tire Rationing Office from which it was issued, and must keep the other copy on his files.

6. *Qualifications of Authorized Dealers*

No person shall sell or supply a tire to a consumer unless such person sold tires in the ordinary course of business during the year ending October 31, 1941, and unless the aggregate purchase price of the tires bought and used by him during the year ending October 31, 1941, on vehicles owned by him (or by any firm or corporation in which he had a controlling interest or by which he was controlled, or any subsidiary thereof) was less than 25 per cent of the aggregate purchase price of all the tires bought by him during the said year.

In any prosecution under this section the burden of establishing his qualification to sell to a consumer under the foregoing conditions shall be on the person charged.

7. *Prohibitions Applicable to Authorized Dealers*

(1) An authorized dealer must not sell or supply any tire to a consumer, except under the authority of a tire ration permit and in accordance with its terms.

(2) An authorized dealer must not buy or get a new tire from a consumer by way of loan, gift or in any other manner.

(3) An authorized dealer must not sell or supply to any other authorized dealer (except a tire manufacturer, jobber, or distributor at any branch point designated by the Controller), and an authorized dealer (except a tire manufacturer, jobber or distributor at any branch point designated by the Controller) must not buy or acquire a new tire unless the purchasing authorized dealer has delivered and the selling authorized dealer has received at the time of or before the sale a replenishment permit authorizing the sale.

(4) An authorized dealer (except a tire manufacturer, jobber or distributor at any branch point designated by the Controller) must not buy any new tire or new tube or any camelback unless his inventory of the size and type of such tire or tube, or camelback, is not more than his normal requirements for 30 days supply, or, in the case of an authorized dealer located in Port Arthur or further west, 45 days supply.

(5) An authorized dealer must not put any tire into use on any vehicle owned by him or under his control unless there has been issued to him the tire ration permit which would be required, and unless he has otherwise complied with any provision of this Order which would be applicable, if he were a consumer buying such tire.

(6) An authorized dealer must not give or make any allowance for any used tire or tube delivered in exchange for any tire or tube sold or supplied by him; and every authorized dealer must retain in his possession for a period of 30 days from the date of its delivery every tire so delivered in exchange.

(7) An authorized dealer must not sell or supply to a consumer for use on a vehicle any tire or tube which is unsafe for operation on that vehicle.

8. *Priorities on Sales of Tires, Tubes and Services to Consumers*

Every authorized dealer shall give priority on the sale of any new or used tire pursuant to a tire ration permit, and on the sale of any new or used tube and on the sale of any retreading or repair services, to the order of a consumer buying in respect of a vehicle in Schedule "A" over the order of a consumer buying in respect of a vehicle in Schedule "B", and to the order of a consumer buying in respect of a vehicle in Schedule "B" over the order of a consumer buying in respect of a vehicle which is not an eligible vehicle.

9. *Exhausted Replenishment Permits to be Returned to Tire Rationing Officers*

Every authorized dealer who is a tire manufacturer, jobber or distributor at any branch point designated by the Controller must, within ten days after the end of each month, send each Replenishment Permit received and filled by him during the previous month to the Tire Rationing Officer by whom it was issued.

10. General Prohibitions

(1) No person shall buy, acquire, sell, supply, transfer, the possession of or put into use a tire except as authorized by the provisions of this Order.

(2) Tires not to be used on new or converted vehicles or equipment.

No person shall, without a permit in writing from the Controller, mount or put into use any new or used tire on any new vehicle or new equipment, or on any vehicle or equipment converted after December 31, 1941, or hereafter converted, so as to require a tire.

(3) Use and sale of camelback

No person shall use any camelback designated by the manufacturer as truck type camelback for the purpose of retreading a tire intended for use on a passenger vehicle, except a passenger vehicle which is registered with the Transit Controller; and no person shall sell camelback to any person other than a retreader, a manufacturer, or a wholesaler.

(4) Destruction of usable tires prohibited

No person shall burn, destroy or cut up any tire or tube, if it is or can be made safe for operation on a vehicle, and every authorized dealer shall re-sell, repair and re-sell or sell for repair and resale by another authorized dealer, any such used tire or used tube received by him.

(5) Possession of tires with defaced serial number

No person shall have in his possession a usable tire from which the serial number or any other identifying mark has been removed, defaced or obliterated, except by ordinary wear and tear or necessary repair.

(6) Alteration of tire ration permits and replenishment permits

No person shall mutilate, deface or alter a tire ration permit or replenishment permit or any other document prescribed for the purposes of this Order.

(7) Unlawful transfer or possession of tire ration permits and replenishment permits

No person shall, except as authorized by this Order, obtain, transfer or have in his possession a tire ration permit or replenishment permit.

(8) Counterfeit tire ration permits and replenishment permits

No person shall make, or knowingly use or have in his possession any counterfeit tire ration permit or counterfeit replenishment permit.

11. Guarantees

(1) Any mileage or time guarantee heretofore or hereafter given with respect to any tire or tube shall be deemed to be a guarantee for not more than ninety (90) days and shall be limited to any defect in materials and/or workmanship, and notwithstanding any guarantee which may have been given heretofore on any tire or tube, no tire or tube shall be replaced under such guarantee unless:

- (a) the fault or defect therein has been brought to the attention of the guarantor within ninety (90) days after the date of delivery of the tire or tube; and
- (b) its condition is such that it cannot be repaired or reconditioned for safe use at the speeds at which the vehicle may reasonably be expected to be operated, and
- (c) the defective tire or tube is returned to such guarantor, and
- (d) the guarantor has received a permit from a Tire Rationing Officer or the Controller for replacement of such tire.

(2) No person shall hereafter, when selling or supplying any tire or tube or any retreading service to any tire, give any mileage guarantee or guarantee such tire or tube for a greater period of time than ninety (90) days after delivery or give any such guarantee in respect of any matter or thing other than any defect in materials and/or workmanship, and no tire or tube shall be replaced under any guarantee unless its condition is such that it cannot be repaired and unless the defective tire or tube is returned to the guarantor.

12. Records

Each authorized dealer shall keep on file one copy of each Tire Ration Permit filed with him and each Replenishment Permit received by him and not delivered to a supplier, and shall keep a record showing the size of each tire received by him and of each tire disposed of by him (whether as scrap or otherwise) together with the dates of each such receipt and disposition, the price paid or charged therefor, and the name of the person from whom each tire was received and to whom they were disposed of, and each authorized dealer shall produce and show the Controller or his representative on request all such documents and such record.

13. Thefts of Tires or Tubes to be Reported to Controller

Every authorized dealer shall file with the Rubber Controller, Department of Munitions and Supply, Ottawa, immediately after any theft or other unauthorized removal of any tire which was in the possession or under the control of such authorized dealer a statement in writing signed by him giving as fully as possible the facts and circumstances relating to such theft or other unauthorized removal and stating whether or not a report of such theft or unauthorized removal has been made to a police official.

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 22nd day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that, pending the report of the Kellock Inquiry into the disturbances which occurred on May 7 and 8, 1945, in Halifax and Dartmouth, Nova Scotia, it is necessary to arrange to provide loans to merchants or business men whose places of business were damaged or looted in the said disturbances, to enable the said merchants and business men to make essential repairs and replacements of premises and fixtures damaged or destroyed and to purchase a minimum stock-in-trade to replenish stocks looted or destroyed;

That the four chartered banks with branches in Halifax and Dartmouth have agreed to provide such loans if they are guaranteed by the Government of Canada; and

That it is advisable, by reason of the existence of war and for the security, defence, peace, order and welfare of Canada to provide a guarantee for such bank loans and enable the merchants and business men whose premises were damaged in the said disturbances to reopen their businesses and meet the immediate needs of the public of the said two cities;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and pursuant to the powers conferred by the War Measures Act, Chapter 206 of the Revised Statutes of Canada, 1927; is pleased to authorize and doth hereby authorize the Minister of Finance on behalf of the Government of Canada to guarantee to the Bank of Nova Scotia, the Bank of Montreal, the Canadian Bank of Commerce and the Royal Bank of Canada, repayment of any loan made to a merchant or business man carrying on business in the City of Halifax or Dartmouth, Nova Scotia, during the period commencing on May 14, 1945, and terminating on a date to be fixed by the Minister of Finance, to enable the said merchants or business men to meet the cost of making minimum essential repairs and replacements of premises and fixtures damaged or destroyed, and/or purchasing a minimum stock-in-trade to replenish stocks looted or destroyed, in the disturbances occurring in the said cities on May 7 and 8, 1945, provided—

- (a) that any such guarantee shall be upon the terms and conditions set forth in the draft form of guarantee hereto annexed, subject to such changes therein as the Minister of Finance may from time to time deem proper;
- (b) that the aggregate amount of money involved in all such guarantees given by the Minister of Finance shall not exceed the sum of \$1,000,000 without the further approval of the Governor in Council;

any sums required to be paid by the Minister of Finance under the guarantee given under authority hereof to be paid out of moneys appropriated for war purposes.

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council establishing the Industrial Selection and Release Board and Committees

P.C. 3683

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 24th day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Labour reports that the procedure respecting priority of discharge from the Armed Forces is based on a point system which is predicated primarily on length and type of service;

That in order to provide for the discharge or release from the Armed Forces of men having special skill or experience at an earlier date than their length and type of service would normally entitle them if their discharge or release would contribute to the effective prosecution of the war, the expeditious and effective reconversion of industry from wartime to peacetime production or the maintenance of maximum employment, it is advisable and expedient to establish an interdepartmental board to consider applications for discharge or release of such men; and

That it is desirable to give to such interdepartmental board such duties and powers as will enable it to investigate applications for discharge or release of men from the Armed Forces and to make recommendations respecting discharge or release to the Departments or Agencies of Government concerned.

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Labour, and under the authority of the War Measures Act, the Department of Reconstruction Act, 1944, and all other enabling powers, is pleased to make and doth hereby make the following Order:—

2. For the purpose of computing the wheat acreage reduction in the year 1943, eighty per centum of any land newly broken on a farm in 1941 and/or 1942 may be added to the basic wheat acreage of such farm as determined under Section 3 (1) of the Wheat Acreage Reduction Act subject to the proviso mentioned therein.

And whereas the Minister of Agriculture reports that it has been found, in applying these Regulations, that a considerable number of farmers, whose practice it is to break additional land each year, are unable to receive Wheat Acreage Reduction payments under the Regulations because with the addition of such new breaking the basic acreage on the farm would exceed eighty per centum of the total cultivated acreage of the farm in the year 1939 or 1940, as the case may be, and therefore be subject to the limitation contained in the proviso to Section 3 (1) of the Wheat Acreage Reduction Act; and

That it is considered desirable that such new breaking should be included in the basic acreage of a farm for Wheat Acreage Reduction purposes;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Agriculture is pleased to revoke the Regulations made by Order in Council P.C. 3870 of the 23rd day of May, 1944, and they are hereby revoked accordingly.

His Excellency in Council, under the authority of the War Measures Act, is further pleased to make the following Regulations respecting computation of wheat acreage reduction under the Wheat Acreage Reduction Act in the years 1942 and 1943, and they are hereby made in substitution for the regulations hereby revoked:—

1. Notwithstanding the proviso to subsection one of section three of The Wheat Acreage Reduction Act, 1942, for the purpose of computing the wheat acreage reduction in the year 1942, eighty per centum of any land newly broken on a farm in 1941 may be added to the basic wheat acreage of such farm as determined under the said subsection.

2. Notwithstanding the proviso to subsection one of section three of The Wheat Acreage Reduction Act, 1942, for the purpose of computing the wheat acreage reduction in the year 1943, eighty per centum of any land newly broken on a farm in 1941 or 1942 or both 1941 and 1942 may be added to the basic wheat acreage of such farm as determined under the said subsection.

Clerk of the Privy Council.

That the United States War Production Board has allocated a substantial yardage of rayon-cotton mixture fabrics to Canada;

And whereas the said Alan Holmes Williamson has requested, permission to relinquish each of the said offices, effective June 1, 1945, and it is desirable to accede to his request, and rescind the said appointments;

Order in Council amending the War Service Gratuity Regulations

P.C. 3857

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 29th day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas section 4 of The War Service Grants Act, 1944, provides in part that if a member of the forces dies on service or after discharge but before he has been paid the war service gratuity in full, payment of the gratuity or the unpaid balance thereof shall be made to certain classes of dependents;

And whereas in some cases the dependent who is entitled to payment of the gratuity under section 4 dies before payment of the gratuity is made;

And whereas the law officers of the Department of Veterans Affairs and the Judge Advocate General of the Department of National Defence concur in the opinion that if the dependent died after the commencement of the Act, such dependent had a vested right to payment of the gratuity, and the gratuity, consequently, then becomes payable to the estate of such dependent;

And whereas the Acting Minister of Veterans Affairs is of the opinion that the intent of Parliament in passing section 4 of the above-mentioned Act was to provide for living persons who were dependent upon deceased members of the forces and that it was not intended that war service gratuity should be paid to the estates of such persons;

And whereas it is therefore deemed advisable to make such amendment to the law relating to war service gratuities as to ensure that gratuities be paid to such dependent persons only when they are alive and that where such dependents die before receiving such gratuity, the gratuity shall fall into and become part of the service estate of the deceased member;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Veterans Affairs, and under and by virtue of the War Measures Act, is pleased to amend the War Service Gratuity Regulations, being Order in Council P.C. 9440 of the 19th December, 1944, and they are hereby further amended by adding thereto as regulation 8C thereof the following:

8C. If a person who was qualified to receive payment of the gratuity or any part thereof under section 4 of the Act and these Regulations dies before payment thereof or before payment thereof in full the gratuity or that part thereof payable

to him or any unpaid balance thereof shall not be paid to the estate of such person but shall be paid to such other person as may be entitled thereto in accordance with the provisions of the Act and these Regulations, and if no other person is so entitled shall form part of and be comprised in the deceased member's service estate in accordance with the provisions of the Regulation 8B.

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council exempting from duty and taxes machinery and plant equipment transferred to Canadian Government ownership by the Government of the United Kingdom, etc.

P.C. 169/3859

*Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved
by His Excellency the Governor General in Council, on the 30th May, 1945.*

The Board had under consideration a memorandum from the Honourable the Minister of National Revenue, concurred in by the Honourables the Minister of Finance and the Minister of Munitions and Supply reporting:—

"That Order in Council P.C. 1/3233 of April 19, 1943, as amended, provided *inter alia* that munitions and supplies of war, materials and component parts, permanent and non-permanent plant equipment, repair or maintenance parts for plant equipment, articles and materials actually consumed in the process of manufacture, and factory expense items, for use in the production or manufacture of munitions and supplies of war, (which previously had been imported or purchased in Canada free of Customs duties and exempt from taxes, under Tariff Item 708, or under certain previous Orders in Council, if imported or purchased otherwise than for Canadian Government account) entered at Customs for consumption or delivered by Canadian suppliers on and after April 1, 1943, shall be subject to the usual provisions of the Customs Tariff and the Special War Revenue Act as to Customs duties and/or taxes, and that the rates therein provided shall be levied and collected thereon;

That by agreement between the Canadian Government and the United Kingdom Government all right, title and interest of the United Kingdom Government in and to all property and assets representing the capital investment of the United Kingdom Government in the munitions projects referred to in the said agreement (including lands and interests in lands, plants, buildings, machinery, machine tools, equipment, tools, jigs, dies, gauges and fixtures) were transferred to the Canadian Government as of March 31, 1943;

That Section (5) of the said Order in Council P.C. 1/3233 reads as follows:—

"(5) That capital items of machinery and other plant equipment which are transferred to Canadian Government ownership and in respect of which Customs duties and/or taxes have not been paid, or if paid have been refunded prior to April 1, 1943, whether by virtue of Tariff Item 708, Order in Council (P.C. 1/8255), or any other Order of the Governor in Council, by reason of the said capital items having been purchased for the account of the United Kingdom Government or for the joint account of the United Kingdom and Canadian Governments, shall become subject, as of April 1, 1943, to duties and/or taxes provided in the Customs Tariff and the Special War Revenue Act, on values as appraised by the appropriate officers of Customs and Excise, but such appraisal and payment of the Customs duties and/or taxes by the Canadian Government shall be deferred until such time as payment is ordered by Treasury Board, and it is hereby ordered that until such order is given by Treasury Board and payment of the outstanding duties and/or taxes made to the Customs and Excise Divisions of the Department of National Revenue the ownership plaques on the said capital items of equipment, as at March 31, 1943, are not to be removed or disturbed;"

That the ascertainment and appraisal of the capital items of machinery and other plant equipment to which Section (5) of Order in Council P.C. 1/3233 applies would involve substantial expense and an expenditure of time and effort on the part of

contractors and Government officials which in the opinion of the undersigned is unwarranted, having regard to the fact that the payment of duties and taxes contemplated by the said Section (5), if made, would be simply a payment by one Department of the Canadian Government (the Department of Munitions and Supply) to another Department (the Department of National Revenue) out of funds which it would be necessary for the Minister of Finance to make available to the Department of Munitions and Supply for that purpose, and the further fact that no part of any duties and taxes which might be paid in respect of the said capital items would be recoverable by the Canadian Government from the United Kingdom Government or from any other source;

That accordingly, in the opinion of the undersigned, it is desirable and in the public interest that the capital items of machinery and other plant equipment which were transferred to Canadian Government ownership as of March 31, 1943, and in respect of which Customs duties and/or taxes were not paid, or if paid, had been refunded prior to April 1, 1943, by virtue of Tariff Item 708, Order in Council P.C. 1/8255 or any other Order in Council, should continue to be exempt from such duties and/or taxes, and that Section (5) of Order in Council P.C. 1/3233 should therefore be revoked;

That in certain instances capital items of machinery and equipment owned by the Canadian Government have been imported or purchased in Canada without duties and/or taxes having been paid thereon, or the duties and/or taxes which were paid in respect of such capital items have subsequently been refunded under P.C. 1/8255, but for the reasons above mentioned it is considered desirable and in the public interest to remove the necessity of ascertaining what capital items of machinery and equipment fall within the foregoing categories and to provide that duties and/or taxes in respect of such capital items shall not be payable, again having regard to the fact that such payment, if made, would merely be a payment by one Government Department to another.

The undersigned, the Minister of National Revenue, with the concurrence of the Minister of Finance and the Minister of Munitions and Supply, accordingly has the honour to recommend that, under and by virtue of the powers conferred by the War Measures Act, your Excellency in Council be pleased to order:—

(1) That Section (5) of Order in Council P.C. 1/3233 of April 19, 1943, be revoked as of the date upon which the said Order in Council became effective, namely, April 1, 1943, and that the capital items of machinery and equipment referred to in the said Section (5) shall be exempt from the payment of duties and/or taxes which otherwise might be levied or imposed thereon; and

(2) That no duties and/or taxes shall be payable upon or in respect of any capital items of machinery and equipment acquired by the Canadian Government free from duties and/or taxes under P.C. 1/8255 and in respect of which no accounting has been made to the Department of National Revenue, and also that no further payment or accounting shall be required to be made to the Department of National Revenue for duties and/or taxes in respect of any capital items of machinery and equipment acquired by the Canadian Government in respect of which duties and/or taxes paid thereon have subsequently been refunded under such Order."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council authorizing agreements with the Provinces *re* use of agricultural manpower

P.C. 3869

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 31st day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas agreements were entered into by the Government of Canada with all provinces for the fiscal year ended March 31, 1945, under the authority of Order in Council P.C. 3492 of May 12, 1944, to provide for the organization and use of agricultural manpower in each province and for the recruiting of workers suitable for farm work in one province and transportation of such workers and the placing of them on farms in other provinces;

And whereas the Minister of Labour reports that it is desired to obtain authority to enter into further agreements with each of the provinces for like purposes for the fiscal year April 1, 1945 to March 31, 1946; and

That by reason of the war it is necessary for the security, defence, peace, order and welfare of Canada and for the efficient prosecution of the war that provision be made accordingly for such purposes;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Labour, and under the authority of the War Measures Act, is pleased to authorize and doth hereby authorize,—

1. The Minister of Labour to enter into an agreement on behalf of the Government of Canada with each of the Provinces of British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, Nova Scotia, New Brunswick, and Prince Edward Island, under conditions substantially in accordance with attached "Schedule One" but with such variations as the Minister of Labour deems necessary to meet the requirements of a particular Province for the purpose of making more effective use of manpower for agricultural purposes;

2. Expenditure by the Government of Canada of a sum not to exceed Six Hundred Thousand Dollars to defray the Dominion's share of such expenses as are to be borne jointly, by the Dominion and the Province in respect of the said Agreements, and the Dominion's share of such expenses as were to be borne jointly by the Dominion and the Provinces in respect of similar agreements entered into for the fiscal year 1944-45, but where the claims for such expenses incurred by the Province were not submitted to the Dominion, in sufficient time for payment out of the appropriation authorized therefore by Order in Council P.C. 3492, of May 12, 1944;

3. Expenditure by the Government of Canada of a sum not to exceed Five Hundred Thousand Dollars for the purpose of paying the costs of transporting farm

workers from one Province to another when by virtue of the provisions of the aforesaid agreements the Government of Canada is responsible for all such costs;

4. Expenditure by the Government of Canada of a sum not to exceed Seventy-Five Thousand Dollars for the purposes of paying the costs of general publicity to include newspaper, and radio advertising, printing and mailing of circulars, posters, letters, etc., and the production and distribution of films, as deemed necessary by the Minister of Labour for the successful operation of the farm labour program; and

5. Payment of the expenditures authorized as aforesaid from the monies allotted to the Department of Labour from the War Appropriation for assistance to the Provinces in recruiting, transporting and placing labour on farms.

A. D. P. HEENEY,

Clerk of the Privy Council.

Order in Council re use of glucose, dextrose or corn syrup in ice cream

P.C. 3933

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 31st day of May, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas Order in Council P.C. 4010, dated May 21, 1942, authorized the use, without declaration, of a combination of not less than 75 per cent by weight of sugar (sucrose) with not more than 25 per cent by weight of dextrose, glucose or corn syrup in the manufacture of ice cream;

And whereas this Order in Council was promulgated following representations made by the Co-ordinator of Foods Administration on the ground that the conservation of supplies of sugar was desirable and in the public interest;

And whereas the Co-ordinator of Foods Administration has now advised:

That subsequent to the promulgation of Order in Council P.C. 4010, and as a result of deterioration in the sugar supply position, the usage of sugar for industrial purposes, including the manufacture of ice cream, was subjected to quota allotment of 80 per cent of the 1941 usage; which quota was later reduced to 70 per cent where it remained until April 1, 1945, when it was reduced to 65 per cent for the quarter ending June 30 and to 50 per cent beginning with the third quarter on July 1, 1945;

That until April 1, 1945, it was possible with the sugar quota allowed and with the use of dextrose or glucose, as permitted by Order in Council P.C. 4010 to manufacture ice cream in reasonable quantity and of a quality and palatability suitable to consumer requirements;

That, however, with the imposition of recent quota reductions on sugar, coupled with the fact that under the provisions of Order in Council P.C. 4010, this reduction in sugar quota imposes a proportionate reduction in the total amount of dextrose or glucose that can be used, it is apparent that our total supply of civilian ice cream will be drastically reduced; that it will be practically impossible to obtain a fair and equitable distribution of that product; and that the quality and palatability cannot be maintained;

And whereas the Co-ordinator of Foods Administration has therefore requested that Order in Council P.C. 4010 be amended to allow the use of dextrose or glucose in unspecified amount or percentages in combination with sugar (sucrose) in the manufacture of ice cream until such time as sugar supplies are again available in sufficient quantity;

And whereas this request is made by the Co-ordinator of Foods Administration following representations received by him from the National Dairy Council of Canada on behalf of the ice cream industry, which representations are strongly supported by the Sugar Administration.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Agriculture and the Minister of National Health and Welfare, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to amend Order in Council P.C. 4010 of May 21, 1942, and it is hereby amended by rescinding paragraph 1 thereof and substituting therefor the following:

"1. Notwithstanding anything contained in the Food and Drugs Act, the Dairy Industry Act or the Meat and Canned Foods Act and regulations made thereunder, prescribing standards of quality and limits of variabilities permissible in food products, wherever the use of sugar (sucrose) or sugar syrup is specified in the said regulations pertaining to processed fruits and vegetables, there may be used, without declaration, a combination of not less than 75 per cent by weight of sucrose with not more than 25 per cent by weight of dextrose, glucose or corn syrup, except that in ice cream, glucose, dextrose or corn syrup may be used in whole or in part."

Clerk of the Privy Council.

TUESDAY, the 5th day of June, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council, P.C. 3060, dated the 11th of October, 1939, as amended by Orders in Council, P.C. 92, dated the 10th of January, and P.C. 2279, dated the 30th day of May, 1940, made under the War Measures Act, authority was given for the closing to navigation, for the duration of the war, for the purpose of safeguarding from possible sabotage the Queenston power plant of The Hydro-Electric Power Commission of Ontario, of that portion of the Welland River which is marked by booms erected by the Commission across the River upstream and downstream from the duplicate intake of the headrace of the Queenston power plant from the River;

And whereas the Minister of Transport reports that this restriction was imposed at the request of the Attorney General of Ontario; and

That, under date of May 12, 1945, the Attorney General of Ontario has advised in effect that there appears to be no further need for the imposition of the said restriction and that, in his opinion, the necessary steps may be taken to rescind the Orders in Council in that regard.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Transport, is pleased to revoke Order in Council, P.C. 3060, of October 11, 1939, as amended, and it is hereby revoked accordingly.

Order in Council providing for payment of drawback of duty and taxes on material used in the manufacture of goods enumerated in Tariff Items 409*h*, 409*i*.....

P.C. 127/4135

Certified to be a true copy of a Minute of a Meeting of the Treasury Board approved by His Excellency the Governor General in Council on the 8th June, 1945.

The Board had under consideration a memorandum from the Honourable the Minister of National Revenue reporting that:—

“Whereas by Order in Council P.C. 2866, April 24, 1945, and effective April 1, 1945, the under-mentioned goods are accorded the tariff treatment hereunder indicated and are exempt from the war exchange tax and the special excise tax:—

Articles and materials which enter into the cost of manufacture of the goods enumerated in tariff items 409*h*, 409*i*, 409*m* and 409*n*, when imported for use in the manufacture of the goods enumerated in the aforesaid tariff items, or in the manufacture of parts therefor, under regulations prescribed by the Minister.....

British Preferential Tariff.....	Free
Intermediate Tariff.....	Free
General Tariff.....	Free

(To be designated as tariff item 442*a*).

(Memorandum Series D No. 47, T.C. 189).

And, whereas similar goods, imported by other than the manufacturer of the specified articles or parts therefor are generally required to be duty and war exchange tax paid at the time of importation;

The undersigned, Minister of National Revenue, believing that the administration of said tariff item No. 442*a* would be facilitated by having due adjustment, when equitable, effected by means of a drawback provision, respectfully recommends that, under the power granted by Section 3 of the War Measures Act, authority be given for the payment of a drawback of 100 per centum of the Customs Duty and War Exchange Tax paid on goods, imported or taken out of warehouse on and after April 1, 1945, and used in Canada in the manufacture of, or entering into the cost of articles and materials supplied to the manufacturers of the goods enumerated in tariff items 409*h*, 409*i*, 409*m* and 409*n*, or parts therefor, for use as specified in tariff item 442*a*; subject to the following conditions:—

- (1) The whole of the drawback shall be paid to the manufacturer of the goods so supplied;
- (2) The quantities of materials or articles used and the amount of the Customs Duties and/or War Exchange Tax paid thereon shall be ascertained;
- (3) Satisfactory evidence shall be furnished of the manufacture or use of the goods in respect of which drawback is claimed;
- (4) Claims for drawback submitted on and after April 1, 1945, shall be filed with the Collector of Customs and Excise and complete documentary evidence attached thereto and shall not be paid unless the Customs Duties and/or War Exchange Tax involved have been paid on the goods within three years of the date of filing the claim, nor unless the claims as presented at any one time aggregate ten dollars or over;
- (5) Claims for drawback shall be made under oath before a Collector, Justice of the Peace or Commissioner for taking Oaths, in such form as the Minister of National Revenue shall prescribe and shall, before payment, be verified to the satisfaction of the Minister, who may require, in any case, the production of such further evidence, in addition to the usual averments, as he deems necessary to establish the *bona fides* of the claim. Nothing in these regulations shall be deemed to alter or amend the law, or to affect any discretion vested in the Minister with respect to the payment or non-payment of draw-

backs, and the Minister shall be the sole judge as to whether any claim for drawback shall be paid in whole or in part;

- (6) Whenever it appears to the satisfaction of the Minister that the process of manufacture into which imported goods have entered has resulted in the production of saleable by-products, the drawback otherwise payable in respect of such imported goods shall be reduced by a sum proportionate to the value of such by-products; that is to say, by a percentage equivalent to the percentage value of the by-products in relation to the total value of the goods manufactured or produced, excepting that drawback claims filed in respect of bituminous coal converted into coke shall be paid in respect of the full quantity of coal processed and represented in the coke covered by the drawback claim, without deduction for merchantable by-products or waste; and Whenever it appears that the process of manufacture has resulted in the production of merchantable waste or scrap, drawback otherwise payable shall be reduced by a sum, representing duties and/or taxes, to be arrived at by applying to the Canadian sales value of the merchantable waste or scrap, the prevailing rates of duties and/or taxes, if any, on merchantable waste or scrap of the same kind, if imported as such; provided the prevailing rates of duties and/or taxes, if any, on the merchantable waste or scrap are not in excess of the rates of duties and/or taxes applicable to the prime imported goods. If the prevailing rates for the merchantable waste or scrap, imported as such, are in excess of the rates applicable to the prime imported goods, the rates of duties and/or taxes applicable to the prime imported goods shall be used;
- (7) The following documents shall be delivered with the claim for drawback, viz:—
- (a) A copy of the import entry showing the payment of the Customs Duties and/or War Exchange Tax on the goods in respect of which drawback is claimed. If a copy of the import entry, however, has been furnished with a previous claim for drawback it will be sufficient to 'refer' to such copy and indicate the claim to which it was attached, without furnishing a further copy of the entry;

Order No. 522

Restrictions on Residence in Ottawa Area

EXPLANATORY NOTE:

In January, 1945, Ottawa and District was declared to be a congested area under the provisions of the Emergency Shelter Regulations, Order in Council P.C. 9439 of December 19, 1944. On January 17, 1945, the Board introduced into the area a permit system to control the occupancy of family quarters. The permit system was authorized by Order No. 474 of the Board.

As a result of the experience gained since January 17, 1945, it has been found that the control can be relaxed insofar as residents of the area are concerned without adversely affecting the shelter problem. Non-residents of the area must, however, continue to secure permits from the Administrator before occupying any family quarters in the area.

Therefore, under powers conferred by the said Regulations, the Board hereby orders as follows:—

1. Order No. 474 of the Board, as amended by Order No. 492, is hereby revoked and is replaced by this Order.
2. For the purposes of this Order,

 - (2) No landlord shall let any family quarters in the Ottawa area to any person who he knows or has reason to believe is not a resident unless such person delivers to the landlord a permit issued by the Administrator under this Section.
 - (3) Notwithstanding the provisions of Order No. 294 of the Board respecting maximum rentals and termination of leases for housing accommodation and shared accommodation, the Rentals Appraiser shall not accept for filing under that Order any notice to vacate proposed to be given to the tenant of any family quarters in the Ottawa area unless such notice to vacate has been stamped as approved by the Administrator. The landlord shall furnish such information as the Administrator may require.
4. (1) Every person who makes an application to the Administrator for a permit shall furnish such information as the Administrator may require.
 - (2) The Administrator shall be the sole judge as to whether a person is entitled to a permit and may grant or decline any permit.
 - (3) Every permit shall be on a form provided by the Board for that purpose.
5. Every holder of a permit given under this Order shall, upon renting family quarters, complete and detach Part B of such permit and return it to the Administrator and deliver Part A thereof to the landlord.

WARTIME PRICES AND TRADE BOARD

ADMINISTRATOR'S ORDER No. A-1654

Used Construction Equipment

Under powers given by the Wartime Prices and Trade Board to the Administrator of Farm and Construction Machinery and Municipal Service Equipment, it is hereby ordered as follows:

Application and Effective Date.

1. (1) This Order on used equipment comes into force on June 15, 1945, and revokes and replaces Administrator's Order No. A-1279.

(2) Wherever used in this Order, the expression "used equipment" means construction equipment or machinery of a kind or type listed in Schedule A or Schedule B of this Order which has been used and includes any of such equipment or machinery which has been rebuilt or reconditioned.

Approval of Sales of Schedule A Equipment.

2. (1) A person who owns any item or unit of used equipment listed in Schedule A, before selling it, shall first obtain the Administrator's approval. To obtain such

approval he shall make application in duplicate on form CM.2. Where approval is given by the Administrator, it shall be evidenced by his endorsement thereof on one copy of the application returned to the owner. In every case giving of approval to a sale shall be in the Administrator's discretion.

(2) In case of emergency (of which fact the Administrator shall be the judge) approval of a sale to which this Section applies may be sought and obtained by telegraphic communication.

Maximum Selling Prices of Used Equipment.

3. (1) The maximum price at which used equipment of a kind or type listed in either Schedule A or Schedule B may be sold or offered for sale by any person shall be as follows:

- (a) for an item or unit which is in a condition for performance substantially equivalent to that of which it was capable when new, and whether or not the same has been rebuilt or reconditioned,—the maximum price shall be 85 per cent of the prevailing price in Canadian funds at which new construction equipment of the same or most closely comparable type and model is then currently selling at retail, and
- (b) for an item or unit which is not in the condition described in clause (a),—the maximum price shall be the same as fixed in clause (a) less, however, the estimated cost of putting it in such condition.

(2) Where in any case doubt or dispute arises as to the applicability of subsection (1) of this Section to a sale of any used equipment, or doubt or dispute arises as to the condition of the used equipment to be sold or as to the correct maximum price at which the same may be sold, or where in any case the maximum price is not known or cannot be ascertained by the seller, the seller or buyer or a prospective buyer shall apply to the Administrator to determine and fix the maximum price of such used equipment and his decision shall be final. Pending such decision the used equipment shall not be sold.

Hirings of Used Equipment.

4. (1) This and the succeeding Sections of this Order shall, unless otherwise stated, apply to all persons and to all used equipment, and, whenever used in this Order,

"Hiring" means a leasing, letting, renting or other transaction of a similar nature by or as the result of which a person obtains possession and right of use of used equipment from another person, whether or not that other person owns the same, and a "hiring" includes a re-hiring or renewal of hiring as well as a hiring which provides an option or other right of purchase of the used equipment hired.

(2) This and the succeeding Sections of this Order shall apply to the following hirings, namely,

- (a) a hiring by or to any person or between any persons made hereafter, and
- (b) a re-hiring or renewal of hiring made hereafter by or as the result of which a person who had possession and right of use of used equipment under a hiring made before June 15, 1945, obtains continuance of his right of use of the same used equipment or any item or unit thereof from the same person, whether or not the terms of re-hiring or renewal of hiring and of the previous hiring are the same.

(3) Every hiring shall be evidenced by an agreement in writing signed by all the persons who are parties to the hiring. This requirement applies whether or not the person from whom the used equipment is hired is the owner thereof.

Hirings of Schedule A Equipment.

5. (1) A person who owns or otherwise has the possession of any item or unit of used equipment listed in Schedule A before hiring it to any other person, shall first obtain the Administrator's approval and the procedure in connection therewith shall be the same as in the case of a sale of any such used equipment as set forth in Section 2 of this Order.

(2) It shall not be necessary, however, to obtain the approval specified in subsection (1) if the hiring is for one single term only of less than 15 days without right of renewal, but no renewal of such term or re-hiring of the equipment to the same person within thirty days after expiration of such terms shall be made without first obtaining the Administrator's approval.

Maximum Rentals on Hirings.

6. (1) The maximum rental which may be charged, received, paid or provided for on a hiring of used equipment which, when new, was first sold after September 14, 1941, shall be as follows:

(a) where the hiring is for a term of one month (which means a period of 30 consecutive days) or longer,—the maximum rental shall be the monthly rate of 8 per cent of the prevailing price in Canadian funds at which new construction equipment of the same or most closely comparable type and model is selling at retail at or about the time of hiring, plus an additional hourly rate of $\frac{1}{480}$ of the said monthly rate for each hour of operating use in excess of 240 hours of such use during any one month; and if the term of hiring ends in a fraction of a month, the maximum rental provided in clause (b) following shall apply to each day of such fraction.

(b) where the hiring is for a term of less than one month,—the maximum rental shall be the daily rate of $\frac{1}{30}$ of the monthly rate fixed in clause (a) above, plus an additional hourly rate of $\frac{1}{8}$ of the said daily rate for each hour of operating use in excess of the number of hours of such use resulting from multiplying by 8 the number of days for which the daily rate is chargeable; but, where the operating use exceeds 240 hours, the additional hourly rate for each hour of operating use in excess of 240 hours shall be the rate of $\frac{1}{16}$ of the said daily rate.

(2) The maximum rental which may be charged, received, paid or provided for on a hiring of used equipment, which, when new, was first sold on or before September 14, 1941, shall be as follows:

(a) where the hiring is for a term of one month (which means a period of 30 consecutive days) or longer,—the maximum rental shall be the monthly rate of 8 per cent of the maximum price at which the used equipment may be sold as fixed by Section 3, plus an additional hourly rate of $\frac{1}{480}$ of the said monthly rate for each hour of operating use in excess of 240 hours of such use during one month; and if the term of hiring ends in a fraction of a month the maximum rental provided in clause (b) following shall apply to each day of such fraction;

(b) where the hiring is for a term of less than one month,—the maximum rental shall be the daily rate of $\frac{1}{30}$ of the monthly rate fixed in clause (a) above, plus an additional hourly rate of $\frac{1}{8}$ of the said daily rate for each hour of operating use in excess of the number of hours of such use resulting from multiplying by 8 the number of days for which the daily rate is chargeable; but, where the operating use exceeds 240 hours, the additional hourly rate for each hour of operating use in excess of 240 hours shall be the rate of $\frac{1}{16}$ of the said daily rate.

(3) For the purpose of determining the maximum rental on any hiring, the term of hiring shall be deemed to commence when the used equipment is shipped by the person from whom it is hired and shall be deemed to end when the used equipment hired is returned to him at his shipping point or at such other place as the hiring agreement may specify.

(4) Where the total aggregate of all rentals paid by a person on a hiring or hirings to him becomes equal to the maximum price fixed by this Order at which the used equipment hired may be sold, the maximum rental for the same used equipment which thereafter may be charged, received from or paid by that person under the then existing hiring or on a subsequent hiring shall be reduced to and not be more than one-eighth ($\frac{1}{8}$) of the maximum rental which otherwise may be chargeable and payable.

7. (1) On every hiring it shall be an implied term thereof and of the hiring agreement that the cost of transportation both ways between shipping point and receiving point shall be the obligation of the person to whom the used equipment is hired.

(2) Unless the hiring agreement otherwise specifies, the following conditions shall be implied terms of every hiring and hiring agreement, and shall be the obligations of the person to whom the used equipment is hired, namely—

- (a) he shall supply at his own expense all fuel and lubricants necessary;
- (b) he shall at his own expense supply an operator;
- (c) he shall at his own expense maintain, repair and return the used equipment in good condition, ordinary wear and tear only excepted; and,
- (d) he shall reimburse the person from whom the used equipment is hired for such part of all premiums of insurance carried on or in respect of the used equipment as is proportionate to the term of hiring.

PART I
Orders in Council

**Order in Council establishing an Inter-departmental Committee
re Defence of Canada Regulations**

P.C. 4136

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 14th June, 1945.

The Committee of the Privy Council have had before them a report, dated 6th June, 1945, from the Right Honourable W. L. Mackenzie King, the Prime Minister, representing that by Order in Council P.C. 531 of March 14, 1938, a number of inter-departmental committees were established to enquire into and report upon measures to be taken in the event of war or emergency, including a Committee on Censorship and a Committee on Emergency Legislation, that by Order in Council P.C. 6571 of August 26, 1941, certain amendments were made in responsibilities for censorship co-ordination, and that on the advice of the above committees Defence of Canada Regulations and other security regulations and administrative instructions were established.

The Minister further represents that, with the termination of hostilities in Europe it has become expedient in the public interest to examine in detail the provisions of the Defence of Canada Regulations and any other security regulations and administrative instructions, including directions to censors, which have been made from time to time pursuant to the Defence of Canada Regulations, with a view to the relaxation and modification of such regulations and instructions insofar as possible, consistent with the vigorous prosecution of the war against Japan.

The Committee, therefore, on the recommendation of the Prime Minister, advise,—

1. That an Interdepartmental Committee be constituted to be composed of representatives of the following departments:

- the Department of Justice, which shall be represented by the Deputy Minister who shall be Chairman of the Committee,
- the Privy Council Office,
- the Department of External Affairs,
- the Department of the Secretary of State,
- the Department of National War Services,
- the Department of National Defence, and
- the Royal Canadian Mounted Police.

2. That the Committee shall examine the provisions of the Defence of Canada Regulations (Consolidation) 1942 and amendments thereto and regulations, orders, declarations, bylaws, administrative acts, directions or instructions made, done or given pursuant to the said Defence of Canada Regulations, with a view to the revision thereof, including the variation, modification and revocation of the same, always bearing in mind the necessity of continuing in force so much of the foregoing as may be considered necessary or advisable for the efficient prosecution of the war to a successful conclusion.

3. That the Committee shall report to the President of the Privy Council and make such recommendations regarding the foregoing regulations and instructions as it considers appropriate to the present stage of the war.

A. D. P. HEENEY,
Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 512, dated January 28, 1944, Mr. Gordon Wilkinson of the city of Winnipeg, Manitoba, was appointed a member of the Regional Selective Service Advisory Board for the Prairie Employment Region, representing employees;

Order in Council providing for free entry of potatoes for the period 15th to 30th June, 1945

P.C. 4175

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 14th day of June, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas potatoes in their natural state are dutiable at the rate of 37½ cents per one hundred pounds during the period June 15 to July 31, inclusive, when imported from the United States or any other foreign country the products of which are entitled to most-favoured-nation tariff treatment;

Order in Council constituting the Travel Control Committee

P.C. 4268

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 14th day of June, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Secretary of State for External Affairs reports,—

That wartime conditions have made necessary the imposition of restrictions upon freedom of travel from Canada to places outside the western hemisphere and of priority categories to ensure that travel facilities will be made available in accordance with the degree of need and urgency to be attached to particular applications for accommodation;

That, hitherto, with the concurrence of the Government of Canada, priorities administration has been carried out by officials in Canada of the United Kingdom Ministry of War Transport, with assistance from an informal North Atlantic Passage Priorities Committee, on which the three Defence Services are represented, so as to ensure close co-operation between shipping from Canada and from other North Atlantic ports;

That the conclusion of hostilities in Europe has increased and will in future greatly increase the desire of persons now in Canada to travel to Europe for business, personal and other reasons;

That it is desirable to exercise careful control so as to allow the most deserving cases to proceed, to the extent that is possible in view of the travel facilities available from time to time, while restricting unnecessary travel that would unduly burden outward or return accommodation; and

That it is desirable that such control and administration should be placed in the hands of a formally constituted committee to undertake such responsibilities in the matter of travel control as may be placed upon it by the Government of Canada, while maintaining close liaison with the United Kingdom authorities and other authorities charged with responsibility for the control of wartime shipping;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Secretary of State for External Affairs, and under the authority of the War Measures Act, Chapter 206 of the Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered as follows:—

(1) There shall be a Travel Control Committee which shall consist of representatives of the following Departments of the Government: External Affairs, Transport, Mines and Resources (Immigration Branch), Trade and Commerce, Labour, National Defence, National Defence for Air, National Defence for Naval Services; the above representatives to be named by the Minister of the department concerned and the Chairman and Secretary to be named by the Secretary of State for External Affairs.

(2) The duties of the Travel Control Committee shall be as follows:—

- (a) To consider and advise the Government with respect to measures to be taken to govern the conditions and extent of travel from Canada to other countries;
- (b) To establish, so long as it may be necessary, a schedule of priorities in accordance with which applications for travel shall be classified for the purpose of orderly allocation of travel facilities; and
- (c) To consider applications for travel in respect of which the allocation of priority rating is doubtful, and in such cases to decide the priority category in which the application shall be placed.

(3) The Travel Control Committee shall have the power to invite to sit with it such representatives of other departments of the Government, or of other governments interested in the allocation and control of shipping, as may be of assistance in the effective discharge of the duties placed upon the committee, or in maintaining the necessary co-ordination between travel controls and regulations in this country and those maintained abroad.

(4) The Travel Control Committee shall report from time to time to the Secretary of State for External Affairs with regard to travel conditions and problems of travel control.

A. D. P. HEENEY,
Clerk of the Privy Council.

Under powers given by the Wartime Prices and Trade Board to the Administrator of Fresh Fruit and Vegetables, it is hereby ordered as follows:—

PART I—INTRODUCTION AND DEFINITIONS*Effective Date and Application of Order*

1. (1) This Order comes into force on June 26, 1945. It fixes maximum prices of all types of fresh cherries grown in British Columbia and Ontario. It also fixes maximum prices of all types of imported fresh cherries during the period June 26, 1945, to September 30, 1945, both inclusive. Administrator's Order No. A-1091, as amended, applies to sales of imported cherries except during that period.

(2) This Order does not apply to sales of cherries by growers and licensed shippers to any manufacturer or processor for use in manufacturing or processing any food or other product.

Prices Fixed are Maximum Prices

2. All prices fixed by this Order are maximum prices and must not be exceeded. No charge may be made for a container or for packing, handling or any other service which results in the sum of the price and the charge for the container, packing, handling and/or service exceeding the maximum price.

Additional Payments and Considerations are Part of the Price

3. Any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any cherries or received by the seller from any person in connection with the sale of any cherries shall constitute part of the price of such cherries.

Definitions

4. For the purposes of this Order,

(a) "consumer" means a person who buys for his personal or household consumption;

(b) "domestic" means grown in British Columbia or Ontario;

(c) "licensed shipper" means

- (1) any person holding on June 1, 1945 a license issued under the provisions of The Fruit, Vegetables and Honey Act to buy and sell fresh fruit and vegetables, having his principal place of business in an area of production and who sells on his own behalf cherries purchased or otherwise acquired by him from a grower and assembled, packed or otherwise prepared by him for shipment, but it does not mean any person who
 - (i) is the agent or employee of any wholesale distributor or retailer, or
 - (ii) ships more than 25 per cent of his total shipments of cherries to any one person; or

(2) any person designated as such by the Administrator of Fresh Fruit and Vegetables;

(d) "Ontario Trucking Zone" means that part of the province of Ontario composed of the counties of Bruce, Grey, Simcoe, Ontario, Victoria, Peterborough, Hastings, Lennox and Addington and Frontenac and all counties lying to the south and west of those counties;

(e) "sell" includes an offer to sell;

- (f) "trucker" means any person who buys domestic cherries from a grower or licensed shipper taking delivery at the seller's farm or country shipping point and who sells and distributes them from his truck;
- (g) "wholesale distributor" means any person, other than grower, licensed shipper or trucker, who sells cherries at wholesale and shall include a wholesale distributor's agent and "sell at wholesale" means to sell otherwise than at retail or to a consumer.

PART II—SALES OF DOMESTIC CHERRIES BY GROWERS

5. (1) The maximum price at which a grower may sell any domestic cherries to any class of buyer listed in the Schedule hereto shall, according to the class of buyer and the kind and capacity of container in which the cherries are packed and sold, be the price for the same listed in said Schedule.

(2) If the sale is to a buyer in a city, town or village, the nearest limit of which is not more than 15 road miles from the seller's farm or country shipping point, the maximum prices fixed by this Section include free delivery to that buyer. On all other sales such prices are f.o.b. the grower's country shipping point. However, if a grower, by his own means of transportation, transports the cherries to a buyer in a city, town or village, the nearest limit of which is more than 15 road miles from his farm he may charge the buyer an amount equal to the cost of transporting the cherries from his farm to the point of delivery by railway express in less than carload lots.

PART III—SALES OF DOMESTIC CHERRIES BY TRUCKERS

6. The maximum price at which a trucker may sell any domestic cherries shall, according to the class of buyer and the kind and capacity of container in which the cherries are packed and sold, be an amount equal to the maximum price at which a grower may sell the same to the same class of buyer, f.o.b. the grower's country shipping point PLUS, if delivery is made to the buyer at a place which is more than 15 road miles from the point of production of such cherries, an amount equal to the cost of transporting the cherries by railway express in less than carload lots from such point of production to the point of delivery; provided, however, that if the sale is to a buyer in the Ontario Trucking Zone, such amount shall not in any event exceed the cost of transporting cherries by railway express in less than carload lots from Grimsby, Ontario, to the point of delivery.

PART IV—SALES OF DOMESTIC CHERRIES BY LICENSED SHIPPERS

7. (1) The maximum price at which a licensed shipper may sell any domestic cherries to

- (a) any wholesale distributor, licensed shipper or trucker;
- (b) any retailer operating a central warehouse separate from his retail outlet or outlets who takes delivery of the cherries at such warehouse; or
- (c) any person who buys the cherries in carload lots;

shall be an amount equal to the maximum price at which a grower may sell such cherries to such buyer, according to the kind and capacity of the container in which the cherries are packed and sold PLUS

- (i) if the cherries were grown in Ontario and the sale is to a buyer whose place of business is in the Ontario Trucking Zone, an amount equal to 7 per cent of such grower's maximum price, or
- (ii) if paragraph (i) preceding does not apply, an amount equal to 10 per cent of such grower's maximum price.

(2) The maximum price at which a licensed shipper may sell any domestic cherries to any buyer of a class to which subsection (1) of this Section does not apply, shall be an amount equal to the maximum price at which a grower may sell such cherries to a buyer of that class, according to the kind and capacity of the container in which the cherries are packed and sold.

(3) When it is necessary to protect any shipment of cherries by pre-cooling, the maximum price of that shipment shall be that fixed by the other provisions of this Section PLUS the actual cost, but not exceeding the standard or customary charge, for such pre-cooling. The provisions of this subsection shall only apply to shipments in carload lots and the pre-cooling charge must be shown as a separate item on the seller's sales invoice.

PART V—SALES BY WHOLESALE DISTRIBUTORS

8. (1) Except as provided in subsection (3), the maximum price at which a wholesale distributor may sell any domestic cherries purchased by him from a grower, a trucker or a licensed shipper shall be the sum of the following:

- (b) if his supplier was a licensed shipper who pre-cooled and shipped the cherries to him in a carload lot, the pre-cooling charge, if any, paid by him;
- (c) if his supplier is not by this Order required to deliver free to him, the actual cost of transporting the cherries from his supplier's farm or country shipping point, as the case may be, to the city, town or village in which he has his place of business but, in any event, at not more than the less than carload lot railway express rate; and
- (d) a markup not exceeding 12½ per cent of his selling price.

(2) Except as provided in subsection (3), the maximum price at which a wholesale distributor may sell any domestic cherries purchased by him from another wholesale distributor shall be the sum of the following:

- (b) if his supplier is not by this Order required to deliver free to him, the actual cost of transporting the cherries from his supplier's shipping point to the city, town or village in which he has his place of business but, in any event, at not more than the less than carload lot railway express rate.

(3) The maximum price at which a wholesale distributor whose place of business is in the Ontario Trucking Zone may sell any cherries grown in Ontario shall be the sum of the following:—

9. During the period June 26 to September 30, 1945, both inclusive, the maximum price at which a wholesale distributor may sell any imported cherries shall be the sum of the following:—

- (a) according to the kind and capacity of container in which the cherries are packed and sold, an amount equal to the maximum price at which a licensed shipper may sell, f.o.b. his shipping point, to a wholesale distributor whose place of business is not in the Ontario Trucking Zone, domestic cherries packed in the same kind and capacity of container;
- (b) an amount equal to the cost of transporting the cherries by railway express in less than carload lots to the city, town or village in which his place of business is situated from Kelowna, British Columbia, if his place of business is situated in a part of Canada west of the 88th degree of west longitude or, from Grimsby, Ontario, if it is situated in a part of Canada east of the 88th degree of west longitude; and
- (c) a markup not exceeding 12½ per cent of his selling price.

Free Delivery Zones of Wholesale Distributors

10. If the sale is to a buyer whose place of business is within the city, town or village in which the wholesale distributor has his place of business or within the wholesale distributor's customary free delivery zone, the maximum prices fixed by this Part include free delivery to that buyer. On all other sales, such prices are f.o.b. the wholesale distributor's place of business.

PART VI—SALES BY RETAILERS

**Order in Council extending the provisions of Sections 29 and 30 of
the Civil Service Act to persons who serve in the war against Japan**

P.C. 4320

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 20th day of June, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas an Order in Council P.C. 8541½ passed on November 1, 1941, extended the provisions of Sections 29 and 30 of the Civil Service Act, Chapter 22 of the Revised Statutes of Canada, 1927, to persons who have served with the naval, military and

air forces of His Majesty and any of His Majesty's allies during the war with the German Reich, provided such persons were residents of Canada at the time they became members of such forces;

And whereas the Secretary of State reports that the war with the German Reich may be considered to be approaching its close, but the war with Japan is still continuing, and many Canadians will probably serve in the naval, military and air forces in that war; and

That it is considered, therefore, that the Regulation above referred to should be amended in order to extend the veterans' preference to those who serve in the war against Japan;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Secretary of State, and under the provisions of the War Measures Act, is pleased to amend the Regulation established by Order in Council of the 1st November, 1941 (P.C. 8541½), and it is hereby amended to read as follows:—

The provisions of Sections 29 and 30 of the Civil Service Act, Chapter 22 of the Revised Statutes of Canada, 1927, shall apply to persons who have served with the naval, military and air forces of His Majesty and any of His Majesty's allies during the war with the German Reich which, for the purpose of this regulation, shall be deemed to have commenced on the first day of September, one thousand nine hundred and thirty-nine, and also during the war with Japan which commenced on the seventh day of December, one thousand nine hundred and forty-one, and when any persons who have served as aforesaid have died owing to such service, to the widows of such persons; provided such persons were residents of Canada at the time they became members of such forces.

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council setting up The Advisory Committee on Rehabilitation and Re-establishment

P.C. 4383

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 20th day of June, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the re-employment and re-establishment of service personnel in civil life, and the re-absorption of war workers in civilian industry involve substantial problems of direct concern to the Department of Labour;

And whereas a large number of these problems are also of concern to other departments and agencies of government and their solution requires consultation and co-operation with other departments of government;

And whereas an informal interdepartmental committee has already performed useful duties in this connection;

And whereas in view of the increasing importance of these problems it is now deemed expedient to establish formal interdepartmental machinery for their consideration and for the submission of joint advice to the government;

Therefore His Excellency the Governor General in Council, on the recommendation of the Right Honourable W. L. Mackenzie King, the Prime Minister, is pleased to order as follows:

1. There is hereby established an interdepartmental committee to be known as the Advisory Committee on Rehabilitation and Re-establishment, to be composed of representatives of the following departments:

The Department of Labour, (Chairman),
 The Department of Veterans Affairs (Vice Chairman),
 The Department of National Defence (Army),
 The Department of National Defence (Naval Services),
 The Department of National Defence (Air),
 The Department of Reconstruction,
 The Department of Finance,
 The Department of Agriculture, and
 The Privy Council Office (Secretary).

2. The Committee shall at the direction of the Cabinet or of its own motion consider and report upon any problem of an interdepartmental nature involving policy in respect of the re-establishment or rehabilitation of service personnel or the employment of war workers in civilian industry.

3. The Committee shall in particular consider and report upon,

- (a) the arrangements for preferential treatment of discharged service personnel in private business and in government employment;
- (b) the most effective utilization in the interests of essential food and industrial production of the services of the Armed Forces stationed in Canada pending their demobilization.

4. The Committee shall endeavour to promote the co-ordination of the activities of the several departments of the government concerned, in matters of administration which involve interdepartmental action in respect of the re-establishment or rehabilitation of service personnel or the employment of war workers in civilian industry and of its own motion may make appropriate recommendations to the departments concerned with respect thereto.

A. D. P. HEENEY,
Clerk of the Privy Council.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and pursuant to powers conferred by the War Measures Act and otherwise, is pleased to order and doth hereby order that the provisions of Order in Council P.C. 11799 of the 31st day of December, 1942, shall apply to the plan for allocation and compensation set forth in and to all payments made in accordance with Order No. 222 of the Wartime Prices and Trade Board as such order may be amended from time to time by such Board.
